EXECUTIVE COMMITTEE MEETING

The Executive Committee met November 18, 1980 at Green Street Baptist Church. Reports from the following organizations were given: Training Union, WMU, Seminary Extension.

J. D. Harrod reported for the Missions Committee Concerning the replacement of the CSM Director. It was decided to contact Raleigh, and get some help with this decision.

Rev. Harrod also stated that the Korean Church had purchased a van and that they were giving 3% of their receipts to the association.

Rev. Harrod was to meet later that week with Charles Hodges and Larry Sawyer of the Baptist Children's Home to finalize the contract on the Emergency Care Home.

A video tape recorder system and accessories except for the monitor have been purchased for the association.

On January 20, 1981, the Executive Committee met at the Associational Office. Organizational reports were given.

Rev. Bob Hiatt, chairman of the Missions Committee, presented 4 recommendations which were adopted as follows:

1. That the CSM Director not be replaced at this time.
2. That the cost of the ECH--$30,000/year--be placed in the budget.
3. That $750 be appropriated from the CSM budget for the summer worker.
4. That we begin a jail ministry at a maximum cost of $2600/year.

The Committee on Committees recommended Lib Shufelt to replace Arnie Harrell on the Finance Committee. This was approved.

The next meeting of the Executive Committee met April 21 at the CBA office. Several of the committees and organizations reported various activities. One report of interest was for the Emergency Care Home made by Paul Daley. He noted that we had served 25 children since the opening of the home in June.

Rev. Bob Hiatt, chairman of the Missions Committee presented 3 recommendations which were adopted. They are as follows:

1. That the Association not have a seminary summer worker due to problems in acquiring help.
2. That the association accept the resignation of R.O. Bennett from the Jail Ministry project. Charlie Monk moved that the association send a letter of appreciation to Rev. Bennett for his work.
3. That the association encourage J. D. Harrod to pursue the Doctor of Ministries program beginning in the Fall with classes in Charlotte every other Monday and 3 trips to Louisville, Ky. during the next two years.

The Korean Church moved its meetings to Green Street Baptist Church. Printing to be done at the associational iffice - one day a month. The associational VBS clinic will be held on May 5 at Oak View Baptist Church. Key Leadership Conference to be held at Ridgecrest, May 11-13. Several of our officers plan to attend. Associational Emphasis Week is May 17-24. The George T. Tunstall Offering will not be taken this year.

Rev. Bill Mastriani moved for the Missions Committee to check on a scholarship for J. D. Harrod to help him with expenses concerning the D.Min. program. Seconded and carried.

Judge Crissman discussed the need of better communication between the Association and the churches. One suggestion was to have the Executive Committee Meeting put on each church calendar so as to remind members.

June 23, 1981 the Executive Committee met at the CBA office. The following recommendation came from the Personnel Committee, Jan Dalton, representing: That Donice Harrod be employed as Associational Secretary with the same hours and same salary as the former secretary, Susan Hutchens. Motion made by Lamar King, seconded by Lawson Allen, carried.

Walter Crissman announced that a recommended budget for next year would be presented at the next Executive Committee meeting. He asked that provision be made in the budget to send the Harrods to the Southern Baptist Convention each year. George Wallace suggested that enough be provided to send Rev. Harrod and Donice to the Convention considering location and circumstances.

The following organizational reports were heard: Church Training, Music, and WMU.

Gladys Smith moved that the Annual Meeting be on Monday and Tuesday, after the 4th Sunday of September. Lamar King seconded the motion which carried. This change will be recommended at the Annual Meeting.

The Executive Committee met at the CBA office, August 18, 1981. Minutes and treasurers report approved. Organizational reports were given for the Sunday School, Music, WMU, Evangelism, Church Training and Prayer Leader.

MISSIONS COMMITTEE REPORT

The Missions Committee met four times during this past year. Two of these were joint meetings with the Finance Committee. The major areas of concern were as follows:

(1) The continuing financial support of the Emergency Care Home. We made the following recommendations for support:

1981-82	$20,000.00
1982-83	$15,000.00
1983-84	$10,000.00

(2) The program of Christian Social Ministries was discussed several times. We recommended that the place of CSM not be filled at this time, but we are seeking guidance from the State Convention as to their recommendations toward our securing a worker in the future.

(3) We recommended that a Jail Ministry be started with R. O. Bennett as the director and that $2,600.00 be allotted for this ministry. This ministry did not materalize and Brother Bennett resigned from this work.

(4) Throughout the year, we have been concerned with helping the Korean Church. They met in the Associational Office until March when they moved to Green Street. This move was to enable those of the congregation who preferred English to be able to attend at the same hour of the Korean worship service. Our long-range plans include how we will be able to help them when Green Street moves into their new building.

(5) Concerning printing done at the Associational Office, we recommend cooperation from leaders in getting materials to the office well in advance, as printing will be done only one day per month. Emergency printing can be done at Rapid Impressions.

(6) We regretted the lack of available trained seminary student to help as a summer worker. We hope to move positively in this direction in the future.

(7) In the area of New Ministries we are recommending that allocation of $10,000.00 be made in the 1981-82 budget for beginning a new church. Possible sites considered are: the Colony Park, Jamestown and/or the Chestnut Street or Lexington Avenue Extensions of High Point.

(8) We recommend a "People Search" be conducted on October 11, 1981 with a follow-up date on October 18, 1981 with a telephone survey as the method to be used.

(9) As our DOM, J. D. Harrod, will begin a D. Min. program in Charlotte, we recommend that a scholarship in the amount of $200.00 be included as a separate item in the 1981-82 budget to cover travel expenses incurring.

I appreciate those who have served so faithfully on this committee as we have discussed many important issues. It is our prayer that we have been able to make some worthy contributions to the mission aspects of our associational work and to the ultimate glory of God.

SUNDAY SCHOOL REPORT

The Convention-wide campaign to increase Sunday School enrollment to eight and a half million by September 30, 1985 is referred to as 8.5 by '85. This is an integral part of the 1982-85 Bold Mission Thrust. The goal was adopted in Saint Louis in 1980.

Enrollment increases when a Sunday School makes administrative plans to engage in nine growth-inducing actions. These basics are what churches are encouraged to do to grow and to help meet the 8.5 by '85 goal.

Make a commitment to growth.
Identify and enroll prospects.
Start new classes and departments.
Enlist workers.
Train workers.
Provide space and equipment.
Conduct weekly workers' meetings.
Conduct weekly visitation.
Teach the Bible to win the lost and develop the saved.

What you do now will affect what you can do later. As you plan and conduct the highlighted emphases for 1981-82, you will be participating in 8.5 by '85, first by moving to enroll more persons in Sunday School, then by sharing the gospel of Christ with them in response to the Great Commission.

I will be serving as an 8.5 by '85 representative and will be glad to help you in any way I can.

Yates Wilkinson, Director

CHURCH TRAINING REPORT

Last year fifteen churches and missions reported an ongoing Church Training Enrollment of 934 people. This is 252 more than in 1979. We still believe that there are churches without an ongoing program who had special training classes last year. These also should be reported by the Church Clerk whether or not the Church has a Church Training program each Sunday evening.

Several Churches have aroused new interest by using the Equipping Center Modules for Adults. (Most of these are 6-8 Week courses of Study.) These are helpful in meeting special needs and increasing Church Training attendance.

A good many of these modules may be seen and checked out, for temporary use, from the Associational Office. New Modules include; "How to Start New Work", "Helping a Child Understand Salvation", "How Spiritual Awakenings Happen", "Discovering Your Spiritual Gifts", and "Islam and the Eastern Religions".

These may be ordered with your other Church literature from Nashville. All the Equipping Center modules are listed on the order blank. Don't overlook "The Survival Kit". This booklet provides guidance for a thirteen-week course of Study for new Christians, Church members or those who may serve as sponsors to new members. These are available in the Baptist Book Store.

Robin King is to be commended for his excellent work in promoting a highly successful Associational Youth Night. This was held at Green Street Baptist Church on March 13, with 600-700 youth attending. The program featured David Meece, a concert pianist and vocalist from Oklahoma. He presented a challenge through music to life commitment in serving Jesus Christ as Lord. At the close of the service, 3 professions of faith and 25 rededications were registered. We praise God for such a meaningful event for our youth.

Disciple Life and Equipping for Personal Growth will be the emphases in 1981-82. Rev. Marshall Collins recently attended a special week at Ridgecrest on "Discipleship". We have requested that he present a message concerning this on "M-Night" to be held at the Green Street Baptist Church on November 23, 1981 at 7:30 PM.

Remember our Associational team of consultants in Church Training and call on us if we can be of help.

EMERGENCY CARE HOME REPORT

Prior to the Emergency Care Home's opening in June of 1980, the Central Baptist Association did extensive renovations and pruchased major appliances and furnishings in preparation for State licensing. Through WMU groups, churches proveded everything from bed linens to kitchen appliances and utensils. Various individuals made generous contributions including drapes, two sofas, rugs, television, freezer, refrigerator and other items.

The WMU project which started last October has generated much extra support for the Home and involvement of individual churches. As a result, various groups have provided special activities and outings, meals, household needs, additional furnishings, books, pantry items, grooming supplies, and numerous other things.

Household improvements during the past year include repaid of the garage roof, installation of storm windows and a doorbell, and most recently, all the carpets were cleaned.

We have served 37 young people, ranging in age from 7-18, since opening. Many of the children have made much progress in this short term placement. Some have experienced living in a Christian environment for the first time in their lives and a few have become Christians. Most of the young people have left the Emergency Care Home to enter a good long term placement elsewhere.

CHRISTIAN LIFE COMMITTEE REPORT

The moral climate in America challenges Christians to apply the gospel to the issues of our day. During the past year, the Christian Life Commission has responded to this challenge by working diligently in support of Christian social concern and Christian social action among Southern Baptists.

Scores of guest editorials, feature articles, news stories, and photographs have been prepared and distributed for use in Southern Baptist media outlets. Approximately one million pamphlets related to applied Christianity were distributed to Southern Baptists. A study of the most pressing ethical issues confronting Christians in the decade of the 1980s was prepared and distributed widely. Numerous television appearances and radio interviews in support of Christian morality development were made. LIGHT, the Commission's publication supporting Christian ethics among Southern Baptists, was distributed every other month to more than 7,000 readers. Videotapes were made of 25 addresses in Commission-sponsored meetings; and from these, some of the most appropriate were selected for reproduction and inclusion in the Southern Baptist video cassette network as well as for the Commission's use during the Convention's special emphasis on strengthening families, 1982-85.

Christian Life Commission staff members served Southern Baptists and the cause of Christ through membership on a number of national boards, committees, and programs dealing with such varied moral concerns as aging, alcohol, the Lord's Day, peace, public policy, seperation of church and state, and world hunger. Ten conferences for Southern Baptists concerned about applied Christianity were held across the nation. The annual national seminar held in Dallas, Texas, dealt with "Power in Church and Society."

Cooperation with Christian Life Commission representatives in the various state Baptist Conventions and with the Christian ethics professors in all six of the Southern Baptist theological seminaries helped to provide coordination for all Southern Baptist Christian social concerns and activities.

The Commission's responsibilities in support of applied Christianity among Southern Baptists continued to be reflected in its motto, widely used in many ways throughout the year, "Helping Changed People to Change the World."

The Christian Life Commission provided carefully prepared support materials for Southern Baptists observing Race Relations Sunday, Christian Citizenship Sunday, and World Hunger Day. As the Southern Baptist Convention's agency responsible for dealing with social concerns, the Christian Life Commission sought to provide Southern Baptists with reliable help, support, and coordination related to the pressing moral issue of hunger. Working closely with the Foreign Mission Board, the Home Mission Board, and The Sunday School Board, the Commission mailed every pastor in the Southern Baptist Convention, just prior to World Hunger Day in 1980, an eight piece packet of carefully designed materials related to hunger.

The Christian Life Commission affirms its commitment to help Southern Baptists establish the kind of moral and social climate in which our total witness for Jesus Christ can be most effective. With God's help the Commission will keep working to help changed people change the world.

SEMINARY EXTENSION REPORT

In Seminary Extension of N. C. enrollment included 2,300 people in 75 centers and independent study. The State Convention provided 1,254 partial scholarships and assisted with 139 honorariums for teachers. 60 full scholarships were provided for prison inmates in 12 prisons of our state.

North Carolina conducted the largest Seminary Extension program in the United States for the seventh consecutive year.

CBA Seminary Extension was held from February 26-May 14, 1981, with classes meeting at Lexington Avenue Baptist Church. Paul Nix was director assisted by Lawson Allen.

The following courses were offered:

Old Testament Survey, Part 1 - Rev. Bill Mastriani
Dynamics of Teaching - Rev. Chuck Hutchens
How to Understand the Bible - Rev. Chuck Hutchens
Biblical Background - Rev. Woodrow Robbins
Fundamentals of Music - Mrs. Donice Harrod

A total of 18 registered with 8 completing courses. 33 pastors, students and friends attended a dinner at CBA office on May 21. Guest speaker was Dr. Corbin Cooper, state director of Seminary Extension. Plans are being made for a Fall semester on Thursday nights of October and November with classes to be held at the CBA office.

EVANGELISM REPORT

All Baptist are urged to participate in the Joint Evangelistic Crusade in 1982. The theme will be "Here's Hope". Interpretation Meetings have been held across the state to suggest plans and basic thrusts for the Joint Crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The Simultaneous Revival dates for the area are: Coastal - March 14-29; Piedmont - April 4-18; and Mountain - April 25 - May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Churches are urged to have Lay Evangelism Schools in preparation for the '82 Joint Crusade. Master copies of transparencies to be used in teaching Lay Evangelism Schools were sent to all Directors of Missions. 73 associations have a trained Coordinator of Lay Evangelism Schools who will train other pastors in the association.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held February 2-3, 1981 in the Thomas Wolfe Auditorium, Asheville Civic Center, Asheville, North Carolina. About 2,400 pastors and lay persons attended this Conference.

Most of our associations have been involved in Bold Evangelism Clinics, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, Bold Evangelism through the Local Church. The other associations are asked to plan a Bold Evangelism Clinic, and churches are also urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

Some of the associations will be meeting before the dates of August 29, 29, and 30 but on these three nights, thousands of youth will be involved in our three Youth Evangelism Conferences. This is a first as, heretofore, we have had only one Youth Evangelism Conference. On August 28 the Conference will be in Fayetteville; on August 29, in Greensboro, and on August 30, in Asheville. We thank God for these three wonderful evangelistic opportunities and for what we believe He is going to do in these three services.

The Youth Evangelism Leadership Conference has rapidly become a major intensive equipping time for pastors and youth leaders. Key areas of the Conference are Personal Growth of the leader, youth witness training and discipleship, and equipping adults to minister to youth. During the 1981 Conference, October 5-7, at Caraway, Jack Taylor is the inspirational speaker.

Baptisms were up last year! Praise God! While it is too early to know, we all pray that North Carolina Baptists are recapturing the desire and commandment of the Lord to "feed my sheep". If so, we shall surely continue to see more persons led to receive Christ as Lord.

Fred Reece, Evangelism Director

MUSIC REPORT

The theme for the Church Music Program for our Association and the Southern Baptist Convention during the year 1980-81 has been "Reaching Adults Through Music." We have tried to emphasize this program throughout all the churches of the Central Baptist Association. Let me share with you some of the ways we have tried to do this.

On October 13-14, we had our First Annual "Church Music School" in our Association. This event was held at the Westchester Baptist Church in High Point. There were four classes that were offered in this school. The classes were Adult Choir Members, led by Mr. Thomas H. Westmoreland, State Music Secretary for the state of South Carolina; Music Director's Class, led by Mr. Charles Storey, Associate in the Church Music Department for the North Carolina Baptist State Convention; Church Organists and Pianists, led by Mr. Jerry Watts, Minister of Music, Southside Baptist Church, Greensboro, N.C.; and a class for Children and Preschool Choir leaders, which was led by Mrs. Linda Newsome, State Approved worker in this area and a member of the First Baptist Church of Winston Salem, N.C. There was a total enrollment of 103 for the school and 13 churches of our Association were represented.

On May 3, 1981, our Second Annual Adult Choir Festival of Praise was held at the Oak View Baptist Church. Five churches of our Association participated in this afternoon gathering. They were Lexington Ave., Brentwood, Allen Jay, Oak View, and Westchester. This event was enjoyed by a capacity crowd.

ACRAHAD(Adult Choir Recognition and High Attendance Day) was observed on Sunday, May 3 in most of our churches throughout the Association. Many of our churches presented certificates to members of their adult choirs. This was an effective way of carring out our theme for the year.

On June 30, the Central Baptist Association Choir met for rehearsal in order to plan for the annual Bold Mission Rally to be held at the First Baptist Church of High Point on Sunday, July 19. Over 50 Adult Choir members from ten (10) of our churches participated in this choir. This will be an ongoing part of the Music Work of our Association. This choir (with the addition of new members(will sing in this, the twenty-third, session of the Central Baptist Association.

Plans for the new year of 1981-82 will include: the 2nd Annual Church Music School in the spring of 1982; our third annual Adult Choir Festival in May, 1982; continuation of the CBA Choir; and emphasis upon Children and Youth Choir Work. These events will be in keeping with the theme for 1981-82 - "Reaching Preschoolers and Children Through Music."

I would like to thank all of our Music Directors of our churches who have been a help and a source of inspiration to me during this past year. May we continue to work together in order to spread the Gospel of Jesus Christ through music.

WMU REPORT

"Laborers together with God." These words from 1 Corinthians 3 have through the years, served well as a permanent watchword for Woman's Missionary Union. We have kept this watchword before us and we began the year by preparing the BW and BYW and the age-level leaders in an Associational Leadership Conference, Conrad Baptist Church on Sept. 29 and 30. There were 158 in attendance with 21 churches represented. The leaders were trained and prepared and the reports excellent.

We have had reports of new BYW and age-level organizations this year.

In November, an observance of BW and BYW World Day of Pray was held at Jamestown First. A very inspirational program included our own Korean Church who sang so beautifully in their native costumes.

Numerous items and $97.00 in money were given in December for the N.C. Correctional Institute. The money was used to buy bedspreads so they might have a brighter Christmas and to let them know we care the entire year.

An Appreciation Dinner was held during WMU Focus Week to honor pastors, staff and WMU Directors. First Baptist Church, High Point, hosted the event. Our special guests were Dr. and Mrs. Ronald Hill. There were 146 in attendance with 24 churches and 2 missions represented.

Our annual meeting was held at Emerywood Baptist Church with 450-plus attending and 18 CBA pastors. I do appreciate the support I have received from our pastors this past year. A very inspiring message was given by Rachel James, missionary recently returned from East Asia now living in Richmond, Va. Her husband, Samuel, is on the staff of the Foreign Mission Board as Director of Orientation and Development. A musical message was presented by Judie Ritchie, solist, Minister of Music, First Baptist, Graham, N.C.

May 23, and 24, a prayer retreat was held at Caraway Center with music by Donice Harrod and Sylvia Carter. Leaders were:

Miss Martha Franks	Inspiration
Sara Ann Hobbs	Bible Study
Nancy Hern	Mission Outreach-foreign and home

There were 114 ladies attending representing 18 CBA churches. All received a blessing and enjoyed being together.

There have been associational gatherings of GA's and Acteens to make the girls more aware of their role in missions. Also, luncheon prayer retreat for BYW & YBW.

The WMU has been directly involved in our Emergency Care Home. Each month a church has volunteered to sponsor the Home in some specific way. We are grateful for all they have done and what a blessing all have received in working with Paul and Lisa Daley.

It has been a privilege and a joy serving as your WMU Director this past year. I am so grateful for each of my WMU Council - they are so willing and dedicated. If, at any time, we may be of assistance to you or your church, please feel free to call us.

We will all be going to the State Leadership Conference, August 22, and I hope you can sense the enthusiasm and spirit with which we approach our work for the coming year.

Gladys Smith, Director

PRAYER REPORT

Recognizing that prayer is such a vital part of every ministry of each Association and the Bold Mission Thrust, our State Task Force on Prayer realized a need to structure a plan whereby our churches could unite in concerted, specific praying. This past year we have seen the effectiveness and rewards of these efforts.

On November 10-12, Central Baptist Association participated in state-wide Around-The-Clock Praying for the Baptist State Convention sessions held in Greensboro. Also during the Convention sessions our association was represented by members from several of our churches who met in the Prayer Room of the Coliseum to pray. Many people attributed the fine Christian spirit of the convention to the influence of prayer.

February 1, was designated as North Carolina Baptist Day of Prayer. Each church was encouraged to observe this special day with a time of specific prayer for the state-wide Crusade '82 and all Bold Mission goals.

Associational Emphasis Week, May 17-24, was also another time our churches felt a special sense of togetherness as we joined in prayer for our associational leaders and ministries.

The Key Leadership Conference at Ridgecrest Conference Center, May 11-13, offered helpful materials and training for Associational Prayer Chairpersons concerning the emphasis on PRAYER for the 1982 Crusade. In connection with this conference a PRAYER SEMINAR for pastors was held on June 30 at the associational office. As this was vacation time for some of our pastors, our attendance was low. However the beautiful spirit and interest of those who could attend was encouraging and uplifting. The time actually spent in prayer for the 1982 Crusade was moving and meaningful - the highlight of the meeting.

There was also a need to inform the Prayer Leaders from each church of the plans and suggestions about the continuing prayer ministry for the '82 Crusade. This opportunity came through the Leadership Conference preceding the Bold Mission Rally on July 19. We had very good attendance at the Prayer Conference. People were enthusiastic with a willingness to pray and work. It was at this meeting that our associational prayer chain became more fully organized.

Our prayer chain is working very effectively. Twenty-three of our thirty-one churches now have prayer leaders. Five of these are serving as group leaders who call approximately six other prayer leaders on their group when prayer requests are made. Requests called in by Tuesday can now be remembered in prayer by all our churches at their Wednesday evening services. This service is designed for all our members. If you have a specific prayer request please call Marjorie Hill (886-4533), Associational Prayer Leader, 1981-82.

We also want to stress the importance of continually praying for the workers and children of the Emergency Care Home.

May God continue to bless us as we work to seek a deeper commitment in prayer.

Jo Ann Glover, Prayer Leader

DEPARTMENT OF RETIREMENT PLANNING
Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program.

Through March 31, 1981, we had processed the following:

70 - Southern Baptist Retirement Program applications
11 - applications for age retirement benefits
442 - upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, Planning The Rest of Your Life. This booklet is available form our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

In Central Association 23 churches and 43 staff members are participating in the retirement program. Of this number 4 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

CHRISTIAN HIGHER EDUCATION REPORT

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is On Mission: The Church/College Alliance. By means of a complementary copy to pastors, mailed on September 1, 1981, the colleges hope to create interest among the churches for studying the book. Chapter titles are:

Chapter I - What are the purposes of a Christian College or University?

Chapter II - Who are the People Who Make Up the College Community?

Chapter III- How Does the College Community Decide on Policies and Programs That Will Genuinely Reflect the Purpose of a Christian Institution?

Chapter IV - What are Some of the Distinctive Problems that Baptist Colleges Encounter as They Attempt to Fulfill Their Educational Mission in a Christian Contest?

Chapter V - How do Baptist Colleges Seek to Encourage Students in the Continuing Development of the Religious Dimension of Life?

Chapter VI - How do Baptist Colleges Decide Which Students Should be Admitted? How can Baptist Young People of Limited Means Afford the Cost of Attending a Baptist College?

Chapter VII- Why Should the Baptist People of North Carolina Support Institutions of Higher Learning?

Copies of the book will be sent, free of charge, to those who request it. A study guide is also available.

The 1981-82 school year is filled with financial uncertainties accross the nation. North Carolina Baptist colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through the Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of your colleges and universities. Thank you for your faithfulness in the development of college-related churches.

BIBLICAL RECORDER REPORT

Again this past year, the Biblical Recorder has reminded us all of the value of good church-pastor relations. This is just one of many subjects the Recorder seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The Recorder is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The Recorder also challenges us in many other ways. For example, it is reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The Recorder was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there--a front row seat, as it were, for only 7¢ (cost of one Recorder).

When people know the truth--and truth must be spoken in love--we have a better convention, better churches better associations and better individual Christians. The Recorder is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the Recorder, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

BAPTIST HOSPITAL REPORT

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEW linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's low blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year - many of these in overseas area.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During this year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353.397.73 through the North Carolina Missions Offering and designated gifts.

BAPTIST HOMES FOR AGING REPORT

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N. C. Baptist to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels--the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N. C. Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

BAPTIST CHILDREN'S HOMES OF N. C. REPORT

The ministry of the Baptist Children's Homes in Piedmont North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Thomasville Family Services Center offers to residents in the 28 surrounding counties any and all services of our statewide ministry. Many of these services are actually located within these counties: group care at Mills Home, a specialized group home at Wall Home, Wallburg, emergency care at High Point and Burlington, a network of licensed foster homes, therapeutic camping in Moore County, social service offices in Hickory, Thomasville and Burlington, the Child Development Center and Family Resource Center in Thomasville, plus counseling and referral services.

During the past year an amphitheater has been completed on the Mills Home campus under the sponsorship of the Alumni Association. The therapeutic camping program of the Institution has been consolidated to make use of the Cameron Home near Vass.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Services Centers have been opened with three others in planning stages. Children are being provided temporary care in seven Emergency Care Homes. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the State who are in the best position to assist families through a concept of preventive care.

Larry Sawyer and members of the staff of the Homes in Piedmont North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (1 Corinthians 3:9). Thank Him for this relationship.

RESOLUTIONS COMMITTEE REPORT

W. W. Robbins presented two resolutions, On Prayer in the Public Schools, and On Tution Tax Credits. These had been printed and distributed for study and consideration. Both of these were adopted by the association. They are as follows:

On Prayer in the Public Schools

WHEREAS, there are pending proposed amendments to the Constitution of the United States whose effect would be to authorize state and local governments once again to provide for religious services, to require "voluntary" and/or "nondemoninational" prayers, and to determine the content of prayers, the time the prayers are said, and the place where they are said, and

WHEREAS, there are also bills pending in Congress which would deny to the federal courts jurisdiction over cases involving government sponsored religious exercises in the public schools, and

WHEREAS, prayer is a personal communication between an individual and God and does not depend on either the permission or sponsorship of government or its agents, and

WHEREAS, the Supreme Court did not rule out purely voluntary individual prayers in the public schools, and

WHEREAS, Baptist in America have long struggled for a strict separation of church and state,

BE IT THEREFORE RESOLVED that the Central Baptist Association at its annual meeting in High Point, N. C. on September 21, 22, 1981 reemphasized its support of the principle of religious liberty and of the separation of church and state, and

BE IT FINALLY RESOLVED that the North Carolina Christian Life Council be asked to inform our United States Senators and Representatives of our opposition to changing the religion clauses of the First Amendment and/or to denying federal judicial relief for infringements of religious liberty guaranteed by the first Amendment.

On Tuition Tax Credits

WHEREAS, Congress is currently considering several different bills which would provide for federal income tax credits for tuition paid to private elementary and secondary schools, and

WHEREAS, more than 90% of the elementary and secondary students enrolled in private schools attend church operated schools, and

WHEREAS, tuition tax credits indirectly support church operated schools and thus are an affront to the "no establishment" clause of the First Amendment to the Unites States Constitution, and

WHEREAS, tuition tax credits would reduce the amount of funds available to the public schools and would, thereby, weaken those schools.

BE IT THEREFORE RESOLVED that the Central Baptist Association at its annual meeting in High Point, N.C. on Sept. 21, 22, 1981, expresses its opposition to tuition tax credits and other devices which directly or indirectly channel public funds into church operated or religiously based schools, and

BE IT FURTHER RESOLVED that Central Association Baptists individually and through their agencies renew their efforts to secure religious liberty and the separation of church and state for all people, and

BE IT FURTHER RESOLVED that the North Carolina Christian Life Council be requested to inform our United States Senators and Representatives of the substance of this resolution.

L. R. McNEILL

1905 - 1982

DEDICATION

L.R. McNeill was born in Randolph County, North Carolina, on March 7, 1905. He died on April 22, 1982 in High Point .

In 1954, L.R. surrendered to the call of God to enter the ministry and went to Fruitland Bible Institute to prepare himself for the Gospel Ministry. He also took a number of correspondence courses under Dr. Ralph Herring.

In 1954, he began serving as interim pastor of the Fairmont Park Baptist Church in High Point. This church called L.R. to be their pastor and he served there for five and one-half years.

In 1960, he began serving the Bethany Baptist Church of Forest City. During his stay of ten and one-half years, he led this church to build a new sanctuary and a parsonage. He served on the General Board of the State Convention as a member of the Evangelistic Committee during this period of his life.

Other pastorates included Macedonia in Raleigh, Leake Memorial, West End Mission in High Point, and Friendly in High Point, where he was serving at the time of his death. The new building at Friendly Baptist Church was dedicated to him in 1982. It is named: The L.R. McNeill Education Center.

He was married on February 29, 1928 to Millie Jones. They had one daughter, Doris Rae, who is deceased. They have two granddaughters. The McNeills worked under the Baptist Childrens Foster Home program from 1957 until 1963. Several children spent extended periods of time in their home. One of the girls returned later to have her wedding ceremony in their home.

L.R. was a charter member of Lexington Avenue Baptist Church, High Point when it was organized in 1929. During his twenty-five years as a member, he served in almost every leadership capacity.

The very first meeting of Central Baptist Association was held on October 15, 1959 at the Fairmont Park Baptist Church. L.R. was the pastor of Fairmont Park Baptist Church at that time. We feel that it is most fitting that these Minutes of the 1982 CBA annual meeting be dedicated to his memory.

SUNDAY SCHOOL REPORT

We are continuing the Convention-wide Campaign to increase Sunday School enrollment to eight and one-half million by September 30, 1985. This campaign is titled 8.5 by 85 and is an integral part of the 1982-85 Bold Mission Thrust which was adopted by the Southern Baptist Convention meeting in St. Louis in 1980.

To help implement the 8.5 by 85 Campaign, each church is asked to set a goal for Sunday School attendance. Our Associational Sunday School Improvement Support Team (A.S.S.I.S.T.) has been assigned individual churches with which they will work in helping the churches reach these goals. These associational representatives and their assigned churches are:

An Associational Sunday School Preparation Week Conference like the one to be held this year on September 27 & 28 at the Oak View Baptist Church, is projected to become an annual event.

Vacation Bible School efforts were encouraging as many churches reported highly successful schools. Our CBA clinic for VBS workers was held on May 17 at High Point First under the capable direction of Andy Anderson. A total of 104 persons attended this clinic.

We hope your Sunday School will grow in 1982-83.

Respectfully Submitted,
Yates Wilkinson

BROTHERHOOD REPORT

This year has seen many changes in the North Carolina Brotherhood and Baptist Men's work. David Lankford has become our new State Executive Director and all programs have been realigned and strengthened in all the Baptist Men's mission projects.

Currently, we have the following areas of mission involvement:

1. Mission Study
2. Stewardship promotion
3. Royal Ambassadors
4. Combating moral problems
5. Homeland projects
6. Lay renewal
7. Correctional Missions ministries
8. Lay witness revivals
9. Overseas missions
10. Resort and Recreational areas
11. Mission Action
12. Prayer Support
13. Disaster Relief
14. Medical Missions ministries
15. Agricultural Missions

Anyone interested in becoming involved in any of these areas, please contact J.D. Harrod or me.

Mike Tysinger, a member of Fairmont Park Baptist Church, has become our Associational R.A. Director and is interested in being of any help he can with your organization as well as promoting Associational-wide events.

Gene Bullard directed a very successful softball program in CBA. Trinity Baptist Church, with Coach Charlie Allen, took first place and Oak View Baptist Church Team #2, with Coach Sam Miller, was the runner up. These two teams have been entered in the statewide competition.

November 13-14, 1982, is a special weekend for Baptist Men across North Carolina. This is date for the NC Baptist Men's Convention which will be held in Fayetteville at the Snyder Memorial Baptist Church. The program begins with lunch on Saturday and ends with the Sunday evening service. Saturday afternoon and night, as well as the Sunday morning Prayer Breakfast and Sunday afternoon and evening sessions, will be an inspirational and informative time for men in our association who can attend.

Please enlist a representative from your church to serve as a contact person in Brotherhood related interests and notify the associational office or me as soon as possible, informing us as to who will serve in this area from your church.

Ed Shufelt
Brotherhood Director

memory of Rev. L.R. McNeill. The pastor of Faith Baptist Church, Rev. Billy Smith, was presented. This church is currently under Watch Care status in our association. New officers were installed with a prayer of dedication led by J.D. Harrod. Moderator Crissman expressed his appreciation to the association for the cooperation he has received while serving and he challenged the association to rise to the challenge of all that needs to be accomplished in this area for Christ. He passed the gavel to Lamar King, the incoming moderator.

29. The adult choir of Fairmont Park Baptist Church presented several selections. They were directed by Jerry Benfield with Betty Hilton, accompanist.

30. The closing challenge was presented by Dr. Al Miller, a former pastor in our association who is presently serving in Mt. Airy. He spoke concerning the events in Mark 10 and the challenge to go home and tell what the Lord has done for you. He reminded us that evangelism begins at home; the most difficult of all places to witness.

31. The benediction was pronounced by Ken Miller.

32. The Twenty-fourth Annual Session of Central Baptist Association was declared adjourned by Moderator Lamar King as he expressed appreciation to Hillcrest and Fairmont Park for their splendid work in hosting the sessions.

PRAYER REPORT

The State Task Force on Prayer, which is a part of the overall planning and participation in the Bold Mission Thrust of the Southern Baptist Convention, encourages the continuing participation of the Associations in promoting the prayer life of each individual.

The Association continued the structure of prayer chains to promote unity in concerted, specific praying. We participated in the around-the-clock praying during the State Baptist Convention in November, 1981. We also accepted and fulfilled the responsibility of covering the time slot assigned to us for the Prayer Room at the Convention.

The Prayer Chaiman met with the Pastors' Conference in March to get their suggestions for emphasizing and promoting concerted prayer effort for the simultaneous revivals. Following this meeting, we met with all the representatives from the various churches for the purpose of communicating the information and urging the continuing of the Prayer Chain ministry.

From our meetings and personal contacts we have found that there is a definite and powerful effect of concerted and group prayer, not only on the project as specified, but on each of the participants and their churches as we all come to know one another better and become interested in the joys and problems of others.

We have been learning! May all churches join with us as we recognize more each day that without BOLD MISSION PRAYING there will be a very great lack in accomplishment of the goals of BOLD MISSION THRUST.

EVANGELISM REPORT

Twenty-six CBA churches participated in the 1982 "Here's Hope" Joint Evangelistic Crusade. An Interpretation Meeting was held at Green Street Baptist Church to suggest plans and basic thrusts for the joint crusade effort, sponsored by the Baptist State Convention and the General Baptist State Convention. "People Search" was conducted in October, 1981, followed by Lay Witness Schools, followed by local revivals in most churches during the week of April 25 - May 2. Figures to date indicate 29 professions of faith, 15 other additions, and 483 rededications, with only 13 of the churches reporting. Comments from some of our pastors are:

Conrad Memorial - "Best attended services in my 15 years at Conrad."

English Road - "A general strengthening of a true sense of 'koinonia'."

Jewel - "We had an outstanding time with evangelist Jim Harris in special Bible study each morning at 10:00 a.m. and times of "After Glow" each evening for special ages."

Trinity -"We have had more decisions and new members in preparation for the revival and continue to have new members to join Sunday after Sunday."

Westchester - "A good week - our attendance overall was above average."

Allen Jay - "There were over 200 present on Saturday night and I'm told this has always been a night when just a few showed up."

"Growing An Evangelistic Church" will be our major planning tool and Continuing Witness Training will be the new method for witness training during the next several years among North Carolina Baptists. The Key Leadership meeting at Ridgecrest introduced associational evangelism directors to "Growing Evangelistic Churches in North Carolina." Only 3 people attended the conference held July 25 at Green Street to share this material with the churches of CBA.

An Associational Church Growth Conference was held September 7, at the Allen Jay Baptist Church. This gave opportunity for churches of CBA to train leaders in church growth. The meeting also allowed us to hear J.W. Hutchens, Jr. who became the Director of Evangelism for the Baptist State Convention of NC on February 1, 1982.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium on February 7-8, 1983, with Dr. Wayne Ward leading Bible study; Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching; and Dick Baker leading the music.

Jimmy Hinson has been elected to serve as Evangelism Director for CBA in 1982-83. A City-Wide Crusade is being planned for next year. Pray for Jimmy as he leads CBA to grow evangelistic churches in 1983.

November 17, 1981: Reports were presented from the Sunday School, Church Training, WMU, Brotherhood, Evangelism, Stewardship, Seminary Extension, Prayer, Emergency Care Home, Properties, and Missions committees. Action taken included:

Approval of a recommendation from the Finance Committee to purchase a copy machine at the cost of $2,074.80.

January 19, 1982: Reports were heard from the Sunday School, Music, WMU, Evangelism, Seminary Extension, Emergency Care Home, and Literacy Ministries. The Director of Missions requested prayer for these concerns: the work of the Missions Committee as they consider a possible site for a mission point; the Credentials Committee as they work with Albertson Road and Faith Church concerning acceptance of the latter church under watchcare status; the loss of the pastoral leadership at Reavis Memorial; and, the DOM's pursuit of studies toward the doctor of ministries degree through Southern Baptist Theological Seminary.

Approval of recommendations from the Properties Committee to enlarge the area for the new parking lot: to install two light poles in the parking areas; to paint and carpet the two rooms on the lower level of the CBA building.

Approval of recommendations of the Missions Committee authorizing the DOM to offer the use of the CBA building to the Korean Central Baptist Church for their worship services should this become necessary; to authorize the Missions Committee to administer the New Ministries budgeted item of $10,000.00 for personnel to be approved jointly with the Personnel Committee.

A detailed Statistical Report of a 10-year research on Central Association was presented by Dr. Ernest Upchurch of the State Baptist Convention.

May 18, 1982: Action taken included the following:

Approval of the recommendation from the Missions Committee that Philip Bruce be employed to conduct survey work in the Jamestown and Trinity areas with funds of approximately $1,000.00 to come from the budget allocation for New Ministries.

Approval of the recommendation from the Finance Committee to: (1) continue payments of $20,000.00 to the NC Children's Homes for our Emergency Care Home; (2) purchase the computer being used in the associational office for $2,100.00 which is the balance owing on the total cost of $5,500.00; (3) present a plaque to Friendly Baptist Church honoring their late pastor, the Rev. L.R. McNeill.

Approval of a recommendation from the Credentials Committee that Faith Baptist Church be accepted under watchcare according to the procedure outlined by the constitution of CBA.

Approval of a recommendation from the Committee on Committees that two committee chairmen be elected to be effective immediately due to resignations: Gene Boatwright - Program Committee and Shirley Mowery - Properties Committee.

Approval of officers to be elected at the annual meeting as presented by the Nominating Committee.

Other reports included: Ordination Council, Personnel, Properties, SS, CT, Music, Christian Life, WMU, Stewardship, Seminary Extension, Prayer, Evangelism, and the Emergency Care Home.

Approval was given at the request of the DOM to change the dates of Annual Meeting to September 13 & 14, and the change the date of the Mid-Summer Bold Mission Rally to July 25.

August 17, 1982: A detailed report of the summer survey work completed by Philip Bruce was presented by the Missions Committee chairman, Helen Davis. The following motion was approved: that the Executive Committee go on record as approving cooperative efforts with Trinity Baptist Church in starting new work in the Wildwood Park area, and that CBA give support to this new work from the funds from the New Ministries budget allocation at the discretion of the Missions Committee with concurrence of the Finance Committee.

The proposed budget for 1982-83 presented by the Finance Committee was approved for adoption at the annual meeting.

The Nominating Committee presented additional names to complete the slate of committees for the 1982-83 year.

Reports were heard from SS, CT, Evangelism, Seminary Extension, and the Emergency Care Home.

The Nominating Committee was asked to consider the possibilities for electing a Single's Representative to serve in the Sunday School Department of the association.

MISSIONS COMMITTEE REPORT

New ministries have been the primary concern of the 1981-82 Missions Committee. Discussion, planning and action culminated in the hiring of Philip Bruce to head a survey project during the summer of 1982.

Jointly supported by CBA and the Church Extension Department of the State Convention, Mr. Bruce worked from June 7 through August 5, 1982. The project was focused in two areas: Colony Park/Ridgecrest near Jamestown, and the Wildwood Park area in Trinity. The purpose of this work was to secure initial information needed to determine the feasibility of beginning new work in one or both of these areas.

Using a Backyard Bible Club as the initial contact with residents of the Colony Park area, Mr. Bruce followed with door-to-door contacts. With some help from Jamestown First, approximately 52% of the homes in Colony Park and Ridgecrest were surveyed. Fourteen families indicated definite interest and 30 families stated they might support some form of mission church in their community. (Using 3 as an average number per family this translates to 42 definitely interested, 10% of the 30 maybes equals 12 people. Add 10% of the 136 homes not surveyed to gain 39 more possible people for a grand total potential of 93.)

In Wildwood Park and a neighboring development in the Trinity area, a mission VBS preceded survey work. Mr. Bruce, along with people from Trinity Baptist, surveyed approximately 100 homes. The potential number for new work is 117 (using the same method of calculation as mentioned above).

Evaluation of the survey results in joint sessions with Jamestown First and Trinity representatives concluded that the next appropriate step would be working toward establishing home-based Bible study fellowships. The role of the association would be to be on call for consultation and to provide support as needed -- especially prayer support.

Emphasis needs to be given to the reality that contacts made under the direction of Mr. Bruce were initial contacts in relation to beginning new work. There must be much prayer and dedicated follow-up work done to build on what has been accomplished so far. Leadership is needed. The fields--those surveyed this summer and others within the geographical area of CBA-- are ready for new work to be initiated. Two major questions must be answered:

- Is there a vision of the missions work waiting to be done--the new work to be started?
- Are our priorities such that reaching the unchurched--Christians and non-Christians--is our number one concern?

As the 1981-82 year closes, the Missions Committee is keenly aware that it has failed to accomplish all it should and could. Even what has been done is a mere beginning of the process of starting new ministries in CBA. The 1982-83 Missions Committee will have opportunity to reach far greater and deeper commitment to new ministries, as well as be involved in other areas of concern that are appropriate. The challenge continues to be that of going, making disciples, and teaching His commandments with the assurance that He will be with us always (Matt.28:19-20).

Helen Davis, Chairman

CHURCH TRAINING

"Equipping Disciples through Church Training" by Roy Edgemon is the new guide book for a new day in Church Training. Some of our churches have already offered this study guide to their people. We encourage all of our churches to do so.

While fifteen of our churches reported Training Activities during the past year, only eleven churches included this in their annual report to the Association. All churches are requested to report to the total number of persons who have taken short-term training during the year as a part of Church Training enrollment even though they may not have a Church Training organization as such. Please take note of this.

Rev. Marshall Collins spoke to 239 people on M-Night in November at Green St. Baptist Church. Lexington Ave. Baptist Church received the banner for the highest attendance (100) and East Grimes Baptist Church received the banner for the highest percentage of enrollment present (109%).

In February, a successful Seminar was held for the doctrinal studies on the Christian Family. The theme for 1982-83 will be "Equipping for Family and Ministry." We encourage all the churches to use "The Biblical View of the Family" by William Pinson. The ongoing Adult Curriculum will also follow the theme of Family throughout the year.

We commend Green St. Baptist Church....the only church participating in our Association last year in the Children's Bible Drill. We anticipate other churches planning for this excellent opportunity to teach our children the use of the Bible and to hide God's Word in their hearts.

We will be supporting Rev. Marshall Collins as our new Church Training Director during the coming year as he continues to lead us in this important work of equipping our people for their work of ministry and in discipleship.

Church Training Director

MUSIC REPORT

Music can be a tremendously effective, exciting way to share the gospel of Christ in the community in which we live and throughout the world. In 1981-82, the Church Music emphasis which undergirds Bold Mission Thrust, is "Reaching Preschoolers and Children...-through Music." We have strived in our Association to convey this theme and to encourage our churches to enlist boys and girls in music study and worship. Many of our churches have begun Children's and Preschool Choirs for the very first time. This is most encouraging. Others have strengthened their exsisting ministry to all boys and girls.

Our annual CBA Music School was held on March 22-23, 1982, at the Westchester Baptist Church. Classes were offered in four vital areas of our church music program: Pianists and Organists, Music Directors, Adult Choir Members, and Preschool and Children's Choir Leaders. Thirteen churches were represented at this two-night workshop/clinic.

Our CBA Adult Choir Festival was held at the Trinity Baptist Church on Sunday afternoon, April 18, 1982. Several choirs from CBA churches participated in this festival of praise. My thanks to Miss Delores Brawley, Minister of Music at the Trinity Church, for her help in hosting this event.

One of the most outstanding additions to the Music Ministry of CBA has been the ongoing fellowship of our associational choir. We met once a month for rehearsal, beginning in January, 1982. The choir has sung for all major associational events during the 1981-82 church year. I am most grateful for the support given to this group by choir members and music directors alike. It was my privilege to direct the CBA choir. Many thanks to our accompanists, Mrs. Donice Harrod and Mrs. Connie Boatwright.

As we look to 1982-83, our emphasis will be: "Reaching People Through Instrumentalists." This will be exciting. Instrumental work was number one in all of our Church Music endeavors throughout the SBC for the past two years. I challenge each of our churches to Praise our Great God with "the sound of the trumpet, the tympani, with strings, organ, and let everything that has breath Praise the Lord!"(Psalm 150).

An Associational Sunday School Preparation Week Conference like the one to be held this year on September 27 & 28 at the Oak View Baptist Church, is projected to become an annual event.

Vacation Bible School efforts were encouraging as many churches reported highly successful schools. Our CBA clinic for VBS workers was held on May 17 at High Point First under the capable direction of Andy Anderson. A total of 104 persons attended this clinic.

We hope your Sunday School will grow in 1982-83.

Respectfully Submitted,

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union, responsible for developing plans for the church to reach a greater awareness of and involvement in missions, provides training and opportunities for participation in missions through age-level organizations. WMU also leads in special mission projects, and undergirds the work of the church and denomination.

The annual Training and Sharing Conference was held at Southside Baptist Church on September 28 & 29, 1981. In addition to the traditional basic training for WMU officers, leaders, and members, a session was provided for pastors, staff and laymen. The purpose was to give emphasis to WMU as it relates to the total church program. The 14 pastors and 7 laymen from 13 churches who attended this special session gave positive reports. The total attendance for the Conference was 236 with 26 CBA churches represented.

Jamestown First Baptist hosted an overnight sleep-in and carnival for Girls in Action on November 6, 1982. 106 girls and 26 adults from 12 churches in CBA enjoyed fun, fellowship, and an inspiring program. A week later, 42 Acteens from 7 churches attended a sleep-over at English Road Baptist Church. The thrust of this event was to help the girls become more aware of their role in missions.

The HIGHLIGHT of the year was having Miss Martha Franks in our association for the Week of Prayer for Foreign Missions. From November 29-December 6, 1981, Miss Franks spoke 17 times to such varied groups as Missions Friends, BSU students at High Point College, and Sunday morning worshipers. Special events held during the week were a breakfast at Oak View Baptist Church with approximately 100 attending, and a coffee at the associational building at the end of the week. As she spoke, Miss Franks enriched the lives of all who heard her as she brought alive the impact of the Lottie Moon Christmas Offering and missions in its entirety.

During WMU Focus Week in February, the annual Appreciation Dinner was held to honor pastors, staff, and WMU Directors. Hosted by Conrad Memorial Baptist Church, the evening of inspiration and fellowship included several features: special music, presented by Gerald and Sylvia Carter; J.D. and Donice Harrod sharing from their varied experiences about why and how WMU is important in Southern Baptist life; and, guest speaker, Dr. Alton McEachern of Greensboro First Baptist. Through a monologue, Dr. McEachern shared the Good Samaritan's view of Jesus.

'BECOMING...' was the theme of a Mother-Daughter banquet for GAs and Acteens on March 12, 1982. Held at the Top of the Mart, the event attracted 370 people from 26 churches in CBA. State Acteens Director, Carolyn Hopkins, attended and shared with the group. Featured speaker was Barbara Joiner, a well-known speaker and author of WMU magazines articles and books.

Caraway Conference Center was the location as BYWs and BWs gathered on March 13 for an overnight retreat. The theme "Available for God to Use Me..." was developed by the three leaders: Nell Bruce, Barbara Joiner, and Suthell Walker. They focused on being available through witnessing, difficulties, and prayer, respectively. Music was an integral part of the retreat and was led by Donice Harrod, Sylvia Carter, and Janet Flynn.

WMU continues to be directly involved with the Emergency Care Home. On March 21, 1982, a reception sponsored by the associational WMU Council was held at Fairmont Park Baptist. Honored were Lisa and Paul Daley and John and Mary Small. The Daleys were completing their stay as houseparents and the Smalls were beginning theirs. Under leadership of the associational WMU, churches of CBA volunteer to sponsor the Emergency Care Home for a month at a time. Mr. Small reports that each sponsoring church does many helpful things during the month it is responsible for the home.

Approximately 480 attended the WMU Annual Session on April 6, 1982. Green Street Baptist hosted. Dr. James Monroe, featured speaker, shared through a mission message and slides of his trip to Korea. Music by the CBA choir and soloist Janet Flynn, and a parade of flags added to the impact of the outstanding program.

Several new age-level organizations have been begun during the year. The leadership, encouragement and dedication of the WMU Council - with the help of the Holy Spirit - has made the year's accomplishments possible.

It has been a privilege and joy serving as your WMU Director. I appreciate all of you and the cooperation I have received from pastors, staff, and - of course - WMU leaders and members.

SEMINARY EXTENSION

We are very happy to report that for the eighth consecutive year, North Carolina has conducted the largest Seminary Extension program in the United States. This was made known through hundreds of people who enrolled in classes in some sixty-six centers throughout the state. Oren Bradley was elected as the top Seminary Extension Director in the United States by the Department of Seminary Extension located in Nashville, Tennessee.

For the first time, CBA Seminary Extension Center offered three terms of study during the church year 1981-82. All of these were held at the CBA office on Jensen Street. There were a total of 33 who registered for the classes offered and 28 completing the courses.

The following courses were taught:
New Testament Survey Part I-Dr. Elliot Stewart
New Testament Survey Part II-Dr. Lawson Allen
New Testament Survey Part III-Dr. Lawson Allen
Fundamentals of Music (each term)-Gene Boatwright

On March 25, 1982, Dr. Corbin Cooper, state director of Seminary Extension, was guest speaker at a dinner held at Westchester Baptist Church to promote the Seminary Extension work in CBA. Some fifty pastors, students, and friends attended this special dinner.

LITERACY REPORT

Literacy Missions affords a unique opportunity to meet the needs of others and share Christ. Tutoring an adult non-reader or an International in Conversational English is a challenging and rewarding work for COMMITTED Christians.

In the CBA this past year two workshops were held for those seeking to learn the methods of tutoring. Five tutors have taught ten adult non-readers and fifteen tutors have worked with twenty-seven Internationals. Because the literacy program is becoming better known in our churches, schools and community, more requests for tutors are probable this Fall. The needs are great. (Do you know that there are over 300 Internationals in High Point and approximately 30,000 functional non-readers in Guilford County?)

Won't you consider this ministry as you seek the best use of your time in your service to God?

EMERGENCY CARE HOME REPORT

Since the opening of the home in June of 1980, there has been an ever growing support from the churches and the community for the continuing operation of the home. The W.M.U. has led the way with the monthly sponsorship by individual churches and from this, the cooperation and help has continued to grow. It has been this help and cooperation that has given us at the home an opportunity to help even more boys and girls. Since the opening of the home, we have given service to 72 boys and girls and the need for services keeps growing. There has been, since the first of January this year, a total of 110 requests for information and services. These requests have involved 126 boys and girls. Even though we have given a total of 367 days of service to 72 children, there still remains a large number of boys and girls who need our help. Please pray that in the years to come, we are able to serve a greater number of boys and girls.

Mary and I came to High Point in March of this year as Paul and Lisa went to Cameron to work with the Camping Program of The Baptist Children's Homes. It has been heartwarming to the two of us to see this continuing cooperation and prayers that continue to flow in a never-ending supply from people who really care about others. It will be this love and care that will help our home continue to grow as a haven for boys and girls in need of temporary care.

May God truly bless each and everyone,

Mary and John Small

BAPTIST CHILDREN'S HOMES OF N.C.REPORT

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville area, we are particularly pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children, This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, which provides therapeutic camping for boys from all across the State, has shown steady growth since its beginning in December of 1980. The program is now operating with three groups of 10 boys each. This is a highly specialized program of "friendship therapy" in a small group setting surrounded with nature's incentives for achievement and learning.

Members of the Mills Home Alumni are in the midst of renovating the oldest standing child care building in North Carolina. The Mitchell House was build in 1885 and will soon house a museum which will help us to know "how it was."

Mills Home is at the hub of what we are doing in the Thomasville Area under the capable leadership of newly appointed Resident Director and Associate, Gene and Mary Alice Wilson.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

Larry W. Sawyer and members of the Thomasville Area Family services staff are ready to serve those who turn to us for help.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by shortfalls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

CHRISTIAN ACTION LEAGUE

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public Hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The League promoted attendance at these hearings and enlisted speakers who made pertinent recommendations or shared personal tragedies due to drinking drivers.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capitol. Due to the loop-holes that now exist in our obscenity laws, our state has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

As a result of this highly successful conference, six Regional Conferences on Obscenity and Decency will be held in Asheville, Charlotte, Winston-Salem, Raleigh, Greenville, and Wilmington between September 15 and October 15, 1982. Specific information on these conferences can be obtained from the League's publication, TOMORROW. If you are not receiving it, a one-year complimentary subscription can be obtained by writing: CHRISTIAN ACTION LEAGUE, P.O. Box 2126, Raleigh, NC 27602.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in these places: Cabarrus County, Union County, Arlington (Yadkin County), Jonesville (Yadkin County), Wilson (Wilson County), Forest City (Rutherford County), Oakboro (Stanly County), Stoneville (Rockingham County), Boone (Watuga County), Lenoir (Caldwell County), East Bend (Yadkin County), High Shoals (Gaston County), and Manteo (Dare County).

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the N.C. Mission Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

Thomas M. Freeman, President
Christian Action League of N.C., Inc.

MINISTERS' WIVES

The Minister's Wives Organization of CBA meets throughout the year to provide fellowship among the wives of those who serve in staff positions in churches of our association.

Some of our activities this past year included:
Salad Suppers
Christmas Crafts
Christmas Dinner for husbands and wives
Fun times through "white elephant" exchanges
The CBA WMU Appreciation Dinner
A study on "The Minister's Wife" led by Mrs. Sara Parker, wife of the pastor of Friendly Avenue Baptist Church in Greensboro, NC.

Our year ended with a BBQ Supper held at Brentwood Baptist Church on May 31, 1982. Over 60 ministers and wives attended this fun-filled evening of food, music and a lot of laughter.

We feel that this organization is helpful to ministers' wives and meets a unique need in sharing with others who seek to serve the Lord as a helper to a minister of the Gospel of Christ. All wives of staff workers in our association are invited to be a part of this fellowship group. Martha Senter will serve as our president for 1982-83.

NORTH CAROLINA BAPTIST HOMES

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Captial Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident homes. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we belive that you will provide!

William A. Poole
Executive Director

S.A.F.E.

Although S.A.F.E. (Singles Affiliated for Fellowship and Encouragement) is a non-denominational Club and is not sponsored by any specific church, it is a recognized ministry of the Central Baptist Association. S.A.F.E. was started in April of 1979 by a few concerned people who felt there was a need for a program of some type for Christian singles.

The purpose of S.A.F.E. is to help promote Christian fellowship and growth among single adults. S.A.F.E. is a club where we attempt to give encouragement and assistance in dealing with the problems, needs, and goals of single adults.

In holding weekly meetings on Tuesday evenings at 7:30 P.M. at the Central Associational Office, we try to provide a learning, sharing, and social experience and reach out with Christian love.

Our programs vary from interesting speakers to programs where everyone can participate. Many of our speakers have come from the Baptist Children's Homes (Mill's Home) in Thomasville. On weekends, the club plans activities which sometimes involves children of the singles such as cook-outs, bowling and putt-putt.

The average attendance has been approximately 25 at the weekly meetings and 10-15 on week-ends. To join S.A.F.E. all a person has to do is pay $1.00 a month and be active in the club.

The club would like to take this opportunity to express our appreciation for the prayer support of the CBA and also the help we receive from J.D. and Donice Harrod and also Fred and Martha Senter.

Respectfully Submitted,
Joan Miller, President

RESOLUTIONS COMMITTEE REPORT

W.W. Robbins presented the following resolutions which were adopted by the association:

PRAYER IN PUBLIC SCHOOLS

WHEREAS, the proper place of religion in public schools continues to be the subject of confusion among U.S. citizens, including our own Baptist people;

AND WHEREAS Congress continues to be pressured to act favorably on a proposed constitutional amendment calling for prayer in public schools;

AND WHEREAS Congress is likewise under severe pressure to pass bills seeking to remove challenges to state laws or local regulations returning prayer to public schools from the jurisdiction of federal courts;

AND WHEREAS the Baptist Joint Committee on Public Affairs has consistently supported the U.S. Supreme Court's historic 1962 and 1963 decisions striking down state-mandated prayer and Bible reading in public schools;

THEREFORE BE IT RESOLVED that the Baptist Joint Committee reaffirm its support of the Supreme Court's decisions;

BE IT FURTHER RESOLVED that the Baptist Joint Committee reassert its opposition to any and all proposed constitutional amendments which, under the guise of fostering "voluntary" prayer in public schools, would in fact undermine those decisions;

BE IT FURTHER RESOLVED that the Baptist Joint Committee oppose unalterably any and all legislative efforts to remove from federal court jurisdiction laws dealing with prayer in public schools;

BE IT FURTHER RESOLVED that we recommit the Baptist Joint Committee to exercise a leadership role in the effort to defeat constitutional amendments and jurisdictional bills dealing with prayer in public schools in Congress while at the same time asking Baptist leaders across the country to join us in seeking the defeat of such measures by communicating their opposition to members of the U.S. Senate and House of Representatives;

BE IT FURTHER RESOLVED that we call upon our denominational leaders to undertake a renewed effort to provide information to our Baptist people about the constitutionally appropriate place of religion in public schools and to educate our people about the dangers of any form of coerced religious exercises in said schools; and

BE IT FURTHER RESOLVED that we seek the widest possible distribution of the newly reprinted pamphlet, "Religion in the Public School Classroom" as one means of attaining the above-stated objective. Now

THEREFORE BE IT RESOLVED that the Central Baptist Association endorse this resolution of the Baptist Joint Committee and pledge our support to their effort.

Adopted March 2, 1982 by The Baptist Joint Committee.

TUITION TAX CREDITS

WHEREAS legislation calling for tuition tax credits for aid to parochial schools

--Violates the constitutional priciple of church-state separation;

--Threatens the public schools with two separate but unequal tax-supported systems of education;

--Contradicts current budget cuts by favoring yet another government giveaway, expensive and inflationary;

--Continues a national policy against the poor by providing one more form of welfare for the well-off;

--Ignites interreligious strife; and

--Endangers religious liberty;

THEREFORE BE IT RESOLVED that the Central Baptist Association, meeting in session on September 13, 1982, express strong opposition to any and all proposed legislation providing for tuition tax credits for parents who send their children to parochial schools; and

BE IT FURTHER RESOLVED that the Clerk of the Association convey this resolution of opposition to our two United States Senators and to our Congressmen.

EVANGELISM REPORT

Twenty-six CBA churches participated in the 1982 "Here's Hope" Joint Evangelistic Crusade. An Interpretation Meeting was held at Green Street Baptist Church to suggest plans and basic thrusts for the joint crusade effort, sponsored by the Baptist State Convention and the General Baptist State Convention. "People Search" was conducted in October, 1981, followed by Lay Witness Schools, followed by local revivals in most churches during the week of April 25 - May 2. Figures to date indicate 29 professions of faith, 15 other additions, and 483 rededications, with only 13 of the churches reporting. Comments from some of our pastors are:

Conrad Memorial - "Best attended services in my 15 years at Conrad."

English Road - "A general strengthening of a true sense of 'koinonia'."

Jewel - "We had an outstanding time with evangelist Jim Harris in special Bible study each morning at 10:00 a.m. and times of "After Glow" each evening for special ages."

Trinity -"We have had more decisions and new members in preparation for the revival and continue to have new members to join Sunday after Sunday."

Westchester - "A good week - our attendance overall was above average."

Allen Jay - "There were over 200 present on Saturday night and I'm told this has always been a night when just a few showed up."

"Growing An Evangelistic Church" will be our major planning tool and Continuing Witness Training will be the new method for witness training during the next several years among North Carolina Baptists. The Key Leadership meeting at Ridgecrest introduced associational evangelism directors to "Growing Evangelistic Churches in North Carolina." Only 3 people attended the conference held July 25 at Green Street to share this material with the churches of CBA.

An Associational Church Growth Conference was held September 7, at the Allen Jay Baptist Church. This gave opportunity for churches of CBA to train leaders in church growth. The meeting also allowed us to hear J.W. Hutchens, Jr. who became the Director of Evangelism for the Baptist State Convention of NC on February 1, 1982.

The Statewide Evangelism Conference will be held in Charlotte's Ovens Auditorium on February 7-8, 1983, with Dr. Wayne Ward leading Bible study; Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching; and Dick Baker leading the music.

Jimmy Hinson has been elected to serve as Evangelism Director for CBA in 1982-83. A City-Wide Crusade is being planned for next year. Pray for Jimmy as he leads CBA to grow evangelistic churches in 1983.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met on four occasions during the past year. This is a digest of those meetings. Detailed minutes of each meeting are on file at the associational office.

November 17, 1981: Reports were presented from the Sunday School, Church Training, WMU, Brotherhood, Evangelism, Stewardship, Seminary Extension, Prayer, Emergency Care Home, Properties, and Missions committees. Action taken included:

Approval of a recommendation from the Finance Committee to purchase a copy machine at the cost of $2,074.80.

Approval of a recommendation from the Associational Council that the Properties Committee be authorized to pave a parking area on the Lexington Avenue side of the CBA building and install an electronic security system at the entrance door with the total cost not to exceed $8,500.00.

Approval of accepting the Korean Central Baptist Church into full membership into the association following one year of watchcare status which has been completed.

Approval of adoption of an official associational flag which has been designed and made by Elizabeth Shufelt.

January 19, 1982: Reports were heard from the Sunday School, Music, WMU, Evangelism, Seminary Extension, Emergency Care Home, and Literacy Ministries. The Director of Missions requested prayer for these concerns: the work of the Missions Committee as they consider a possible site for a mission point; the Credentials Committee as they work with Albertson Road and Faith Church concerning acceptance of the latter church under watchcare status; the loss of the pastoral leadership at Reavis Memorial; and, the DOM's pursuit of studies toward the doctor of ministries degree through Southern Baptist Theological Seminary.

March 16, 1982: Reports were presented by the WMU, Music, Evangelism, and S.S. leadership. Action taken included:

Approval of recommendations from the Properties Committee to enlarge the area for the new parking lot: to install two light poles in the parking areas; to paint and carpet the two rooms on the lower level of the CBA building.

Approval of recommendations of the Missions Committee authorizing the DOM to offer the use of the CBA building to the Korean Central Baptist Church for their worship services should this become necessary; to authorize the Missions Committee to administer the New Ministries budgeted item of $10,000.00 for personnel to be approved jointly with the Personnel Committee.

A detailed Statistical Report of a 10-year research on Central Association was presented by Dr. Ernest Upchurch of the State Baptist Convention.

May 18, 1982: Action taken included the following:

Approval of the recommendation from the Missions Committee that Philip Bruce be employed to conduct survey work in the Jamestown and Trinity areas with funds of approximately $1,000.00 to come from the budget allocation for New Ministries.

Approval of the recommendation from the Finance Committee to: (1) continue payments of $20,000.00 to the NC Children's Homes for our Emergency Care Home; (2) purchase the computer being used in the associational office for $2,100.00 which is the balance owing on the total cost of $5,500.00; (3) present a plaque to Friendly Baptist Church honoring their late pastor, the Rev. L.R. McNeill.

Approval of a recommendation from the Credentials Committee that Faith Baptist Church be accepted under watchcare according to the procedure outlined by the constitution of CBA.

Approval of a recommendation from the Committee on Committees that two committee chairmen be elected to be effective immediately due to resignations: Gene Boatwright - Program Committee and Shirley Mowery - Properties Committee.

Approval of officers to be elected at the annual meeting as presented by the Nominating Committee.

Other reports included: Ordination Council, Personnel, Properties, SS, CT, Music, Christian Life, WMU, Stewardship, Seminary Extension, Prayer, Evangelism, and the Emergency Care Home.

Approval was given at the request of the DOM to change the dates of Annual Meeting to September 13 & 14, and the change the date of the Mid-Summer Bold Mission Rally to July 25.

August 17, 1982: A detailed report of the summer survey work completed by Philip Bruce was presented by the Missions Committee chairman, Helen Davis. The following motion was approved: that the Executive Committee go on record as approving cooperative efforts with Trinity Baptist Church in starting new work in the Wildwood Park area, and that CBA give support to this new work from the funds from the New Ministries budget allocation at the discretion of the Missions Committee with concurrence of the Finance Committee.

The proposed budget for 1982-83 presented by the Finance Committee was approved for adoption at the annual meeting.

The Nominating Committee presented additional names to complete the slate of committees for the 1982-83 year.

Reports were heard from SS, CT, Evangelism, Seminary Extension, and the Emergency Care Home.

The Nominating Committee was asked to consider the possibilities for electing a Single's Representative to serve in the Sunday School Department of the association.

MISSIONS COMMITTEE REPORT

New ministries have been the primary concern of the 1981-82 Missions Committee. Discussion, planning and action culminated in the hiring of Philip Bruce to head a survey project during the summer of 1982.

Jointly supported by CBA and the Church Extension Department of the State Convention, Mr. Bruce worked from June 7 through August 5, 1982. The project was focused in two areas: Colony Park/Ridgecrest near Jamestown, and the Wildwood Park area in Trinity. The purpose of this work was to secure initial information needed to determine the feasibility of beginning new work in one or both of these areas.

Using a Backyard Bible Club as the initial contact with residents of the Colony Park area, Mr. Bruce followed with door-to-door contacts. With some help from Jamestown First, approximately 52% of the homes in Colony Park and Ridgecrest were surveyed. Fourteen families indicated definite interest and 30 families stated they might support some form of mission church in their community. (Using 3 as an average number per family this translates to 42 definitely interested, 10% of the 30 maybes equals 12 people. Add 10% of the 136 homes not surveyed to gain 39 more possible people for a grand total potential of 93.)

In Wildwood Park and a neighboring development in the Trinity area, a mission VBS preceded survey work. Mr. Bruce, along with people from Trinity Baptist, surveyed approximately 100 homes. The potential number for new work is 117 (using the same method of calculation as mentioned above).

Evaluation of the survey results in joint sessions with Jamestown First and Trinity representatives concluded that the next appropriate step would be working toward establishing home-based Bible study fellowships. The role of the association would be to be on call for consultation and to provide support as needed -- especially prayer support.

Emphasis needs to be given to the reality that contacts made under the direction of Mr. Bruce were initial contacts in relation to beginning new work. There must be much prayer and dedicated follow-up work done to build on what has been accomplished so far. Leadership is needed. The fields--those surveyed this summer and others within the geographical area of CBA-- are ready for new work to be initiated. Two major questions must be answered:

> Is there a vision of the missions work waiting to be done--the new work to be started?
> Are our priorities such that reaching the unchurched--Christians and non-Christians--is our number one concern?

As the 1981-82 year closes, the Missions Committee is keenly aware that it has failed to accomplish all it should and could. Even what has been done is a mere beginning of the process of starting new ministries in CBA. The 1982-83 Missions Committee will have opportunity to reach far greater and deeper commitment to new ministries, as well as be involved in other areas of concern that are appropriate. The challenge continues to be that of going, making disciples, and teaching His commandments with the assurance that He will be with us always (Matt.28:19-20).

Helen Davis, Chairman

CHURCH TRAINING

"Equipping Disciples through Church Training" by Roy Edgemon is the new guide book for a new day in Church Training. Some of our churches have already offered this study guide to their people. We encourage all of our churches to do so.

While fifteen of our churches reported Training Activities during the past year, only eleven churches included this in their annual report to the Association. All churches are requested to report to the total number of persons who have taken short-term training during the year as a part of Church Training enrollment even though they may not have a Church Training organization as such. Please take note of this.

Rev. Marshall Collins spoke to 239 people on M-Night in November at Green St. Baptist Church. Lexington Ave. Baptist Church received the banner for the highest attendance (100) and East Grimes Baptist Church received the banner for the highest percentage of enrollment present (109%).

In February, a successful Seminar was held for the doctrinal studies on the Christian Family. The theme for 1982-83 will be "Equipping for Family and Ministry." We encourage all the churches to use "The Biblical View of the Family" by William Pinson. The ongoing Adult Curriculum will also follow the theme of Family throughout the year.

We commend Green St. Baptist Church....the only church participating in our Association last year in the Children's Bible Drill. We anticipate other churches planning for this excellent opportunity to teach our children the use of the Bible and to hide God's Word in their hearts.

We will be supporting Rev. Marshall Collins as our new Church Training Director during the coming year as he continues to lead us in this important work of equipping our people for their work of ministry and in discipleship.

Elliot B. Stewart,
Church Training Director

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union, responsible for developing plans for the church to reach a greater awareness of and involvement in missions, provides training and opportunities for participation in missions through age-level organizations. WMU also leads in special mission projects, and undergirds the work of the church and denomination.

The annual Training and Sharing Conference was held at Southside Baptist Church on September 28 & 29, 1981. In addition to the traditional basic training for WMU officers, leaders, and members, a session was provided for pastors, staff and laymen. The purpose was to give emphasis to WMU as it relates to the total church program. The 14 pastors and 7 laymen from 13 churches who attended this special session gave positive reports. The total attendance for the Conference was 236 with 26 CBA churches represented.

Jamestown First Baptist hosted an overnight sleep-in and carnival for Girls in Action on November 6, 1982. 106 girls and 26 adults from 12 churches in CBA enjoyed fun, fellowship, and an inspiring program. A week later, 42 Acteens from 7 churches attended a sleep-over at English Road Baptist Church. The thrust of this event was to help the girls become more aware of their role in missions.

The HIGHLIGHT of the year was having Miss Martha Franks in our association for the Week of Prayer for Foreign Missions. From November 29-December 6, 1981, Miss Franks spoke 17 times to such varied groups as Missions Friends, BSU students at High Point College, and Sunday morning worshipers. Special events held during the week were a breakfast at Oak View Baptist Church with approximately 100 attending, and a coffee at the associational building at the end of the week. As she spoke, Miss Franks enriched the lives of all who heard her as she brought alive the impact of the Lottie Moon Christmas Offering and missions in its entirety.

During WMU Focus Week in February, the annual Appreciation Dinner was held to honor pastors, staff, and WMU Directors. Hosted by Conrad Memorial Baptist Church, the evening of inspiration and fellowship included several features: special music, presented by Gerald and Sylvia Carter; J.D. and Donice Harrod sharing from their varied experiences about why and how WMU is important in Southern Baptist life; and, guest speaker, Dr. Alton McEachern of Greensboro First Baptist. Through a monologue, Dr. McEachern shared the Good Samaritan's view of Jesus.

'BECOMING...' was the theme of a Mother-Daughter banquet for GAs and Acteens on March 12, 1982. Held at the Top of the Mart, the event attracted 370 people from 26 churches in CBA. State Acteens Director, Carolyn Hopkins, attended and shared with the group. Featured speaker was Barbara Joiner, a well-known speaker and author of WMU magazines articles and books.

Caraway Conference Center was the location as BYWs and BWs gathered on March 13 for an overnight retreat. The theme "Available for God to Use Me..." was developed by the three leaders: Nell Bruce, Barbara Joiner, and Suthell Walker. They focused on being available through witnessing, difficulties, and prayer, respectively. Music was an integral part of the retreat and was led by Donice Harrod, Sylvia Carter, and Janet Flynn.

WMU continues to be directly involved with the Emergency Care Home. On March 21, 1982, a reception sponsored by the associational WMU Council was held at Fairmont Park Baptist. Honored were Lisa and Paul Daley and John and Mary Small. The Daleys were completing their stay as houseparents and the Smalls were beginning theirs. Under leadership of the associational WMU, churches of CBA volunteer to sponsor the Emergency Care Home for a month at a time. Mr. Small reports that each sponsoring church does many helpful things during the month it is responsible for the home.

Approximately 480 attended the WMU Annual Session on April 6, 1982. Green Street Baptist hosted. Dr. James Monroe, featured speaker, shared through a mission message and slides of his trip to Korea. Music by the CBA choir and soloist Janet Flynn, and a parade of flags added to the impact of the outstanding program.

Several new age-level organizations have been begun during the year. The leadership, encouragement and dedication of the WMU Council - with the help of the Holy Spirit - has made the year's accomplishments possible.

It has been a privilege and joy serving as your WMU Director. I appreciate all of you and the cooperation I have received from pastors, staff, and - of course - WMU leaders and members.

Gladys Smith

SUNDAY SCHOOL REPORT

We are continuing the Convention-wide Campaign to increase Sunday School enrollment to eight and one-half million by September 30, 1985. This campaign is titled 8.5 by 85 and is an integral part of the 1982-85 Bold Mission Thrust which was adopted by the Southern Baptist Convention meeting in St. Louis in 1980.

To help implement the 8.5 by 85 Campaign, each church is asked to set a goal for Sunday School attendance. Our Associational Sunday School Improvement Support Team (A.S.S.I.S.T.) has been assigned individual churches with which they will work in helping the churches reach these goals. These associational representatives and their assigned churches are:

An Associational Sunday School Preparation Week Conference like the one to be held this year on September 27 & 28 at the Oak View Baptist Church, is projected to become an annual event.

Vacation Bible School efforts were encouraging as many churches reported highly successful schools. Our CBA clinic for VBS workers was held on May 17 at High Point First under the capable direction of Andy Anderson. A total of 104 persons attended this clinic.

We hope your Sunday School will grow in 1982-83.

Respectfully Submitted,
Yates Wilkinson

BROTHERHOOD REPORT

This year has seen many changes in the North Carolina Brotherhood and Baptist Men's work. David Lankford has become our new State Executive Director and all programs have been realigned and strengthened in all the Baptist Men's mission projects.

Currently, we have the following areas of mission involvement:

1. Mission Study
2. Stewardship promotion
3. Royal Ambassadors
4. Combating moral problems
5. Homeland projects
6. Lay renewal
7. Correctional Missions ministries
8. Lay witness revivals
9. Overseas missions
10. Resort and Recreational areas
11. Mission Action
12. Prayer Support
13. Disaster Relief
14. Medical Missions ministries
15. Agricultural Missions

Anyone interested in becoming involved in any of these areas, please contact J.D. Harrod or me.

Mike Tysinger, a member of Fairmont Park Baptist Church, has become our Associational R.A. Director and is interested in being of any help he can with your organization as well as promoting Associational-wide events.

Gene Bullard directed a very successful softball program in CBA. Trinity Baptist Church, with Coach Charlie Allen, took first place and Oak View Baptist Church Team #2, with Coach Sam Miller, was the runner up. These two teams have been entered in the statewide competition.

November 13-14, 1982, is a special weekend for Baptist Men across North Carolina. This is date for the NC Baptist Men's Convention which will be held in Fayetteville at the Snyder Memorial Baptist Church. The program begins with lunch on Saturday and ends with the Sunday evening service. Saturday afternoon and night, as well as the Sunday morning Prayer Breakfast and Sunday afternoon and evening sessions, will be an inspirational and informative time for men in our association who can attend.

Please enlist a representative from your church to serve as a contact person in Brotherhood related interests and notify the associational office or me as soon as possible, informing us as to who will serve in this area from your church.

Brotherhood Director

MUSIC REPORT

Music can be a tremendously effective, exciting way to share the gospel of Christ in the community in which we live and throughout the world. In 1981-82, the Church Music emphasis which undergirds Bold Mission Thrust, is "Reaching Preschoolers and Children...-through Music." We have strived in our Association to convey this theme and to encourage our churches to enlist boys and girls in music study and worship. Many of our churches have begun Children's and Preschool Choirs for the very first time. This is most encouraging. Others have strengthened their exsisting ministry to all boys and girls.

Our annual CBA Music School was held on March 22-23, 1982, at the Westchester Baptist Church. Classes were offered in four vital areas of our church music program: Pianists and Organists, Music Directors, Adult Choir Members, and Preschool and Children's Choir Leaders. Thirteen churches were represented at this two-night workshop/clinic.

Our CBA Adult Choir Festival was held at the Trinity Baptist Church on Sunday afternoon, April 18, 1982. Several choirs from CBA churches participated in this festival of praise. My thanks to Miss Delores Brawley, Minister of Music at the Trinity Church, for her help in hosting this event.

One of the most outstanding additions to the Music Ministry of CBA has been the ongoing fellowship of our associational choir. We met once a month for rehearsal, beginning in January, 1982. The choir has sung for all major associational events during the 1981-82 church year. I am most grateful for the support given to this group by choir members and music directors alike. It was my privilege to direct the CBA choir. Many thanks to our accompanists, Mrs. Donice Harrod and Mrs. Connie Boatwright.

As we look to 1982-83, our emphasis will be: "Reaching People Through Instrumentalists." This will be exciting. Instrumental work was number one in all of our Church Music endeavors throughout the SBC for the past two years. I challenge each of our churches to Praise our Great God with "the sound of the trumpet, the tympani, with strings, organ, and let everything that has breath Praise the Lord!"(Psalm 150).

SEMINARY EXTENSION

We are very happy to report that for the eighth consecutive year, North Carolina has conducted the largest Seminary Extension program in the United States. This was made known through hundreds of people who enrolled in classes in some sixty-six centers throughout the state. Oren Bradley was elected as the top Seminary Extension Director in the United States by the Department of Seminary Extension located in Nashville, Tennessee.

For the first time, CBA Seminary Extension Center offered three terms of study during the church year 1981-82. All of these were held at the CBA office on Jensen Street. There were a total of 33 who registered for the classes offered and 28 completing the courses.

The following courses were taught:
New Testament Survey Part I-Dr. Elliot Stewart
New Testament Survey Part II-Dr. Lawson Allen
New Testament Survey Part III-Dr. Lawson Allen
Fundamentals of Music (each term)-Gene Boatwright

On March 25, 1982, Dr. Corbin Cooper, state director of Seminary Extension, was guest speaker at a dinner held at Westchester Baptist Church to promote the Seminary Extension work in CBA. Some fifty pastors, students, and friends attended this special dinner.

LITERACY REPORT

Literacy Missions affords a unique opportunity to meet the needs of others and share Christ. Tutoring an adult non-reader or an International in Conversational English is a challenging and rewarding work for COMMITTED Christians.

In the CBA this past year two workshops were held for those seeking to learn the methods of tutoring. Five tutors have taught ten adult non-readers and fifteen tutors have worked with twenty-seven Internationals. Because the literacy program is becoming better known in our churches, schools and community, more requests for tutors are probable this Fall. The needs are great. (Do you know that there are over 300 Internationals in High Point and approximately 30,000 functional non-readers in Guilford County?)

Won't you consider this ministry as you seek the best use of your time in your service to God?

EMERGENCY CARE HOME REPORT

Since the opening of the home in June of 1980, there has been an ever growing support from the churches and the community for the continuing operation of the home. The W.M.U. has led the way with the monthly sponsorship by individual churches and from this, the cooperation and help has continued to grow. It has been this help and cooperation that has given us at the home an opportunity to help even more boys and girls. Since the opening of the home, we have given service to 72 boys and girls and the need for services keeps growing. There has been, since the first of January this year, a total of 110 requests for information and services. These requests have involved 126 boys and girls. Even though we have given a total of 367 days of service to 72 children, there still remains a large number of boys and girls who need our help. Please pray that in the years to come, we are able to serve a greater number of boys and girls.

Mary and I came to High Point in March of this year as Paul and Lisa went to Cameron to work with the Camping Program of The Baptist Children's Homes. It has been heartwarming to the two of us to see this continuing cooperation and prayers that continue to flow in a never-ending supply from people who really care about others. It will be this love and care that will help our home continue to grow as a haven for boys and girls in need of temporary care.

May God truly bless each and everyone,

Mary and John Small

BAPTIST CHILDREN'S HOMES OF N.C.REPORT

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville area, we are particularly pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, which provides therapeutic camping for boys from all across the State, has shown steady growth since its beginning in December of 1980. The program is now operating with three groups of 10 boys each. This is a highly specialized program of "friendship therapy" in a small group setting surrounded with nature's incentives for achievement and learning.

Members of the Mills Home Alumni are in the midst of renovating the oldest standing child care building in North Carolina. The Mitchell House was build in 1885 and will soon house a museum which will help us to know "how it was."

Mills Home is at the hub of what we are doing in the Thomasville Area under the capable leadership of newly appointed Resident Director and Associate, Gene and Mary Alice Wilson.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

Larry W. Sawyer and members of the Thomasville Area Family services staff are ready to serve those who turn to us for help.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by shortfalls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

CHRISTIAN ACTION LEAGUE

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The League was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public Hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The League promoted attendance at these hearings and enlisted speakers who made pertinent recommendations or shared personal tragedies due to drinking drivers.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

III. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capitol. Due to the loop-holes that now exist in our obscenity laws, our state has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

As a result of this highly successful conference, six Regional Conferences on Obscenity and Decency will be held in Asheville, Charlotte, Winston-Salem, Raleigh, Greenville, and Wilmington between September 15 and October 15, 1982. Specific information on these conferences can be obtained from the League's publication, TOMORROW. If you are not receiving it, a one-year complimentary subscription can be obtained by writing: CHRISTIAN ACTION LEAGUE, P.O. Box 2126, Raleigh, NC 27602.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in these places: Cabarrus County, Union County, Arlington (Yadkin County), Jonesville (Yadkin County), Wilson (Wilson County), Forest City (Rutherford County), Oakboro (Stanly County), Stoneville (Rockingham County), Boone (Watuga County), Lenoir (Caldwell County), East Bend (Yadkin County), High Shoals (Gaston County), and Manteo (Dare County).

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the N.C. Mission Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

Thomas M. Freeman, President
Christian Action League of N.C., Inc.

MINISTERS' WIVES

The Minister's Wives Organization of CBA meets throughout the year to provide fellowship among the wives of those who serve in staff positions in churches of our association.

Some of our activities this past year included:
Salad Suppers
Christmas Crafts
Christmas Dinner for husbands and wives
Fun times through "white elephant" exchanges
The CBA WMU Appreciation Dinner
A study on "The Minister's Wife" led by Mrs. Sara Parker, wife of the pastor of Friendly Avenue Baptist Church in Greensboro, NC.

Our year ended with a BBQ Supper held at Brentwood Baptist Church on May 31, 1982. Over 60 ministers and wives attended this fun-filled evening of food, music and a lot of laughter.

We feel that this organization is helpful to ministers' wives and meets a unique need in sharing with others who seek to serve the Lord as a helper to a minister of the Gospel of Christ. All wives of staff workers in our association are invited to be a part of this fellowship group. Martha Senter will serve as our president for 1982-83.

Jackie Miller, President

NORTH CAROLINA BAPTIST HOMES

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Captial Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident homes. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

BIBLICAL RECORDER

Workers change but the work goes on. This is the simple message from the Biblical Recorder this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the Recorder from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, Church and State.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the Biblical Recorder, primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The Recorder has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new Recorder editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

PRAYER REPORT

The State Task Force on Prayer, which is a part of the overall planning and participation in the Bold Mission Thrust of the Southern Baptist Convention, encourages the continuing participation of the Associations in promoting the prayer life of each individual.

The Association continued the structure of prayer chains to promote unity in concerted, specific praying. We participated in the around-the-clock praying during the State Baptist Convention in November, 1981. We also accepted and fulfilled the responsibility of covering the time slot assigned to us for the Prayer Room at the Convention.

The Prayer Chaiman met with the Pastors' Conference in March to get their suggestions for emphasizing and promoting concerted prayer effort for the simultaneous revivals. Following this meeting, we met with all the representatives from the various churches for the purpose of communicating the information and urging the continuing of the Prayer Chain ministry.

From our meetings and personal contacts we have found that there is a definite and powerful effect of concerted and group prayer, not only on the project as specified, but on each of the participants and their churches as we all come to know one another better and become interested in the joys and problems of others.

We have been learning! May all churches join with us as we recognize more each day that without BOLD MISSION PRAYING there will be a very great lack in accomplishment of the goals of BOLD MISSION THRUST.

S.A.F.E.

Although S.A.F.E. (Singles Affiliated for Fellowship and Encouragement) is a non-denominational Club and is not sponsored by any specific church, it is a recognized ministry of the Central Baptist Association. S.A.F.E. was started in April of 1979 by a few concerned people who felt there was a need for a program of some type for Christian singles.

The purpose of S.A.F.E. is to help promote Christian fellowship and growth among single adults. S.A.F.E. is a club where we attempt to give encouragement and assistance in dealing with the problems, needs, and goals of single adults.

In holding weekly meetings on Tuesday evenings at 7:30 P.M. at the Central Associational Office, we try to provide a learning, sharing, and social experience and reach out with Christian love.

Our programs vary from interesting speakers to programs where everyone can participate. Many of our speakers have come from the Baptist Children's Homes (Mill's Home) in Thomasville. On weekends, the club plans activities which sometimes involves children of the singles such as cook-outs, bowling and putt-putt.

The average attendance has been approximately 25 at the weekly meetings and 10-15 on week-ends. To join S.A.F.E. all a person has to do is pay $1.00 a month and be active in the club.

The club would like to take this opportunity to express our appreciation for the prayer support of the CBA and also the help we receive from J.D. and Donice Harrod and also Fred and Martha Senter.

Joan Miller, President

A BRIEF HISTORY OF CENTRAL BAPTIST ASSOCIATION

In a meeting held at High Point First Baptist Church on November 24, 1958, Central Baptist Association was formally organized. Twenty-four churches were charter members with the membership expanding to 30 churches within the year.

The first annual meeting was held at Fairmont Park Baptist Church on October 15, 1959, with Clyde Tucker, pastor of Reavis Memorial, serving as the first moderator of the association.

On September 12, 1961, Floyd Rhyne was called as the first Director of Missions. He led the association in many exciting "firsts" as his zeal and enthusiasm brought expanded interests in associational missions within the churches.

On January 4, 1971, the association purchased a house located at 402 Steele Street in downtown High Point. This became the headquarters for the associational office and mission center. Sewing lessons, a food pantry, and a clothing closet were among the varied ministries offered.

In October, 1971, the association began a ministry of alcoholic rehibilitation which came to be known as the Samaritan Inn. Oren Mills served as the director. This work continued until 1973.

In April, 1971, Robert Canipe was employed by the association to serve as a part-time director of the Juvenile Rehibilitation program. This position was discontinued in 1976.

Due to health reasons, Floyd Rhyne resigned on September 30, 1973. The association regretfully accepted his decision and a Search Committee was formed to seek another Director of Missions.

On July 1, 1974, J.D. Harrod was called to serve as the second Director of Missions. He continues in this position until the present.

On January 1, 1977, James H. Pope was employed to serve as the first Director of Christian Social Ministries. He remained at this post for a period of three years and nine months, creating much interest and growth in all aspects of mission outreach through the association.

In March, 1978, the College Heights Baptist Church voted to disband. They donated their building and property to Central Baptist Association. This facilitated two important changes: (1), the office building was relocated to the site on 1411 Jensen Street, and (2), the Steele Street house was converted into a much needed Emergency Care Home for youth.

The Emergency Care Home opened its doors in June, 1979. Paul and Lisa Daley served as the first houseparents. They dedicated themselves to this task in a wonderful way until they transferred to the Wilderness Camping Program of the Baptist Children's Homes in March, 1981. At that time, John and Mary Small assumed the leadership of the Emergency Care Home and continue to serve with dedication and expertise. CBA is rightly and justly proud of the ministry of the ECH.

Foreign Missions became a present reality for CBA as a Korean congregation, pastored by Dennis Kim, applied for membership into our association in 1980. This group met for a period of time in the associational building and then in the chapel of Green Street Baptist. Presently, they are meeting in the facilities of the Emerywood Baptist Church and are being led by Pastor Seong 'Yoon Hyeon. They are organized under the name, Korean Central Baptist Church. CBA is honored to have this church as a part of its fellowship.

As Central Baptist Association celebrates its Twenty-Fifth Year of existence during 1983, we recognize the ever increasing needs which are before us and the challenges which are ours to accept and fulfill. Volunteers are the key to the success of our ministry. We are grateful to those who give of their time and talents to serve on committees and in the various aspects of service through the association. The association is in good health and has a bright future.

TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE!

PROCEEDINGS

AFTERNOON SESSION - Westchester Baptist Church

1. The Twenty-fifth Annual Session of the Central Baptist Association was called to order by the moderator, Dr. Lamar King.

2. After leading in an opening prayer, Rev. Yates Wilkinson, pastor of the host church, welcomed the messengers and visitors to this opening session of the associational annual meeting.

3. Gene Boatwright led the group in singing "O God, Our Help in Ages Past." W.W. Robbins presented a devotional based on the historical perspective of our association as he has seen it from a pastor's view. Rev. Robbins came to High Point in 1947 where he has served as pastor of the Lexington Avenue Baptist Church until his recent retirement. He was instrumental in the organization of this association twenty-five years ago when the churches of the High Point area felt a need to form an association rather than be a part of the Piedmont Association which centered in Greensboro.

4. Program chairman, Gene Boatwright, made the motion that the printed program be adopted with some minor alterations. This was approved.

5. John Small of the Emergency Care Home, presented the new director of the Baptist Children's Homes of North Carolina, Dr. Michael Blackwell. Dr. Blackwell stressed the importance of teaching children that they are of great value and worth to God.

6. Missions Committee Chairman, Walter Crissman, presented the Missions Committee Report as presented in the Book of Reports. He challenged the churches to increase their efforts in developing strong Sunday School work, remembering that each church was organized by some former church with a vision of new work.

7. New pastors and staff workers were invited to the platform for introductions. J.D. Allgood was recognized as having recently retired after having served as pastor of Grimes Avenue Chapel for the past twenty-three years. Volunteer workers in associational activities were asked to stand for a time of recognition and appreciation.

8. Charles Storey gave a report concerning his work as a music associate in the NC Baptist Convention. He reminded the group that the ministry of music is no different from other ministries of the church and that "study to show thyself approved unto God" should also

apply in the realm of church music. Mr. Storey also shared a beautiful message in song.

9. The annual sermon was delivered by Rev. Robert Glasgow who reminded us that the grace of God stirs our minds to be stewards of looking at our past and learning from it.

EVENING SESSION

10. The session was called to order by Moderator Lamar King with Gene Boatwright leading in the congregational hymn, "He Leadeth Me, O Blessed Thought."

11. The worship time was conducted by John Gwaltney and the orchestra of the Oak View Baptist Church.

12. Reports were approved from the following:
Treasurer: Wilfred Eddinger who gave a challenge to the churches to support the work of the association and the total denomination. He presented certificates sent from the State Convention to those churches who have increased their gifts to the Cooperative Program by 100% during the past five years.
Executive Committee: Donice Harrod.
Finance Committee: Jerry Benfield called for the adoption of the 1983-84 budget. Motion carried.
Nominating Committee: R.E. Williams.
Committee on Committees: Andy Anderson added the name of C.J. Stevenson to the Properties Committee to serve until 1986.
Time, Place, Preacher: Fred Senter announced that the annual session for next year will be on September 17 at Reavis Memorial and on September 18 at Pilot View. The annual sermon will be delivered by Yates Wilkinson with Joe Leach as alternate.
Credentials Committee: Tom Corns reported that this committee had not been able to convene and will report to the next meeting of the Executive Committee.

13. The combined choirs and orchestras of Oak View and Westchester churches presented the musical selection "It Will Be Worth Everything."

14. Dr. King introduced the speaker for the evening, Dr. David Matthews, Senior Minister of the First Baptist Church in Greenville, South Carolina.
Dr. Matthews' message centered on the fact that in all things, God is working for good to come to his children. (The message was video taped.)

TUESDAY SESSION - Archdale, First Baptist

15. Vice-Moderator, Herb Edwards called the session to order and Tom Langston, pastor of the host church, gave words of welcome to the messengers.

16. Gene Boatwright led in the singing of the hymn, "I Love to Tell the Story" and an historical perspective was presented by Walter Crissman. He named all moderators of CBA and called upon the association to be prepared to meet the challenge of the future.

17. Reports were presented as follows:

Memorials Committee: Margaret Angel called for a time of remembering those who have died during the past year. Gurney Loflin led in special prayer for these.

Christian Higher Education: Henry Stokes of WFU gave facts concerning the need for Christian leaders for the future in all phases of Baptist life.

Evangelism: Jimmy Hinson presented his report along with certificates sent by the State Convention to those churches with 100% increase in baptisms during the past five years.

Seminary Extension: Corbin Cooper of the State Department presented SE lapel pins in appreciation to Lawson Allen, CBA SE director, and to Danny Gray, CBA SE outstanding student. He emphasized the importance of growth in spiritual strength and how SE can help provide such growth. All present and formers students and faculty of CBA SE courses were recognized.

Sunday School: Yates Wilkinson reminded the messengers of the vital role of the SS in the total growth of church life.

Resolutions: Woodrow Robbins asked the association to consider a resolution to the High Point Merchants Association opposing the proposed date of the Christmas parade on Wednesday evening, November 23, 1983, at 6:30 PM. Motion carried. Dr. Marvin Slate brought a similar motion from the deacons of the High Point First Baptist Church. This was received as information.

A motion was made that further resolutions be considered in the evening session because of the time factor. Motion carried.

18. Special music was presented by Bruce Hartgrove, Minister of Music at High Point First Baptist.

19. Gene Boatwright introduced Dr. George Dye, pastor of the First Baptist Church of Fort Mill, South Carolina. Dr. Dye spoke concerning the Great Commission giving several interpretations to the "spelling of the word GO."

20. Ron Wilkins led the prayer of benediction and blessing for the meal.

TUESDAY EVENING SESSION - Archdale First Baptist

21. The session was called to order by Lamar King. Gene Boatwright led the group in singing.

22. Marjorie Hill, the first associational WMU director, presented an historial perspective as she traced the work of WMU within the association. Her challenge included: "This is an on-going, over-all plan and we must find our place in it and get on with it!"

23. The Resolution Committee continued its report as J.D. Allgood presented a resolution that all who worked to make the Twenty-fifth Anniversary successful, be commended. Motion carried. Gladys Smith moved the adoption of a resolution concerning the appreciation of women and their work in the life of our churches and association. Motion carried. W.W. Robbins presented a resolution concerning the church/state ruling of the Supreme Court vs. Bob Jones University. Following lengthy discussion, Mrs. Kitty Moffitt moved that this resolution be tabled with a charge to the new committee to study this issue carefully and bring their findings to the annual session next year. Motion tabled. Three other resolutions were passed as presented concerning the problems of alchol, pornography, and international incidents (the shooting down of the Korean airliner by the Soviets). These resolutions are included in the report section of these Minutes.

24. The following reports were given:
WMU - Cathy Brooks; Music - Gene Boatwright; Prayer - Ina Chernault; Literacy - Thelma Bollinger.

25. J.D. Harrod, DOM, asked new officers for the 1983-84 year to come to the front for installation and prayer of dedication.

26. Special music was presented by three ministers of music in CBA churches; Gene Boatwright, Richard Chalk, and John Gwaltney.

27. Fred Brockway introduced the speaker for the closing message, Dr. Paul Craven, pastor of the First Baptist Church of Winston-Salem, North Carolina. His message centered in the emphasis on the word "all" as found in the Great Commission: all authority, go to all nations, teach all things, and the promise - "I will be with you always."

28. The Twenty-fifth Annual Session was adjourned by order of Dr. Lamar King, moderator, who asked that a prayer of benediction and praise to God be led by Dr. Elliot Stewart.

EXECUTIVE COMMITTEE REPORT

This report is a condensation of the six meetings of the Executive Committee during the past year. Detailed proceedings of each of these meetings are on file at the CBA office.

November 23, 1982:

Reports were given by the various officers, committee chairmen, and representatives. The Annual Minutes and the calendar of activities were distributed.

Action was taken to approve an expenditure to allow for electrical work to be done in the CBA office.

The Missions Committee reported that work is being coordinated with Trinity and Jamestown First to assist in utilization of the survey results done this summer in seeking to establish new points of work.

January 18, 1983:

After reports were presented from the leaders, several points of emphasis were noted. The WMU will again honor church staff ministers and their wives with an Appreciation Dinner on February 15 at Oak View Baptist Church. The WMU has also installed an Assist Telephone Service in the associational office which will be manned by volunteers. A statewide training session on the new "Understanding" age-level books will be held at Green Street Baptist Church on February 11.

MISSIONS COMMITTEE REPORT

Your committee has held six meetings during the Associational year. The members of the committee have attended meetings well and have been very responsive.

Most of the committee's time and attention has been given to trying to follow up any possible steps toward establishing new work in the Colony Park and Wildwood areas. Trinity Church has been working on getting a Mission started in the Wildwood area and have had some meetings at homes, but have been unable to get a meeting place. Not much has been done in the Colony Park area. There must be further follow-up on this. Serious consideration has been given to trying to start a Sunday School at the Associational Office Headquarters. The committee has been unable to get a church to sponsor this.

The committee considered a seminar or some means of getting the churches to have an active Missions Committee. No conclusion was reached.

The committee recommended that the association assist the Korean Church in getting a permanent location. It also recommended that an Associational Council be appointed by the Moderator and Missions director to supervise the Singles Activities at the Associational Building.

The committee requested the Director of Missions to write a letter of solicitation to all the churches asking them to make a contribution toward a fund to help the Pastor of the Korean Church bring his family to America.

The committee was asked to consider some kind of help for the House of Prayer. In response, it was decided to ask the Director of the House of Prayer to attend the August meeting of the Executive Committee and present the needs.

WOMAN'S MISSIONARY UNION REPORT

"Training is the key to effective leadership." Because Woman's Missionary Union has long recognized this to be true, the associational WMU Council began the 1982-83 year with a Leadership Training Conference for all church age-level officers and members of WMU. This was held September 20 & 21 at Westchester Baptist Church. There were 21 churches in our association represented at that meeting. There was also a large display of materials presented by the Baptist Book Store. This made it possible for all those who had not purchased necessary materials to do so at that meeting.

Baptist Women's World Day of Prayer was held on November 1 at Hilliard Memorial. There was an excellent number of women and children attending. The emphasis is strictly on prayer for needs around the world. As is usual for the women of CBA, a generous offering was received in the amount of $77.00 for this worldwide effort.

Because we know that our youth organizations (Acteens, GA's, and Mission Friends) are preparing young women to be WMU leaders and mission "do-ers" of the future, a conference titled "Minding the Future" was held at Green Street in November for all youth leaders.

A sleep-over for Acteens was held in November at English Road with 10 churches represented. This is one of the areas where our growth is very slow. There have been 2 or 3 new organizations begun in the churches during this past year. The biggest problem seems to be finding adequate leadership for this age-level. Our churches need to make this concern a matter of prayer.

Girls in Action (grades 1-6) were able to "Catch the Spirit" at their associational sleep-over also held in November at Jamestown First Baptist. It was a great success with 115 GA's attending.

During the Foreign Mission study time and Week of Prayer for Foreign Missions, most of our churches were introduced to the tremendous needs that exists in the urban areas of our world. A number of council members were able to help by teaching this material to many churches in our association.

February brought about the time the associational WMU shows appreciation to the pastors and staff members of our churches. The final effectiveness of WMU in a church is determined, to a large degree, by these people and we want to cooperate as completely as possible. The dinner was held at Oak View Baptist Church. The emphasis was on renewed commitment on the part of both WMU and church staffs to cooperate in spreading the Gospel and ministering to the real, ever present needs around us.

A large group of women from Central Association attended the WMU State Annual Session this year. It was held at Ridgecrest with a total registered of over 2,300. Women were truly challenged to be "Accountable" to the world around us and be part of meeting, not creating, needs.

A number of activities were held for Baptist Young Women during this year. In spite of small attendance, the enthusiasm is there to help this age-level grow stonger organizations.

Mrs. Christine Gregory, former president of the SBC Woman's Missionary Union, and the first woman president of the Virginia State Convention (called the General Association of Virginia) challenged the women at our annual meeting held at Jamestown First Baptist on April 5.

A Prayer Retreat was held for BW/BYW at Mundo Vista on Saturday, April 30. The 68 women from 13 CBA churches who attended were led by various women to accept the challenge to "Bloom Where You're Planted."

Other youth activities like Mother/Daughter Banquets for both Acteens and GA's and a Day Camp for younger GA's topped off an exciting, full year for WMU in Central Association. The council has attempted in each activity this year to help women and girls "Catch the Spirit of the New WMU."

WMU from CBA has long been thankful for the opportunity to support and encourage the Emergency Care Home now under the loving care of John and Mary Small, houseparents. Individual churches are requested to begin now to make plans for an even wider variety of support activities for the coming year.

To the outgoing members of the council, I want to express my appreciation for a job excellently done. To the new members of the council, may we prepare our hearts to strongly utilize our "Partnership in Prayer and Ministry" during the coming years.

EVANGELISM

Some of the churches have experienced good revivals during the past year with people believing, receiving Jesus Christ and confessing Him as Saviour and Lord, requesting baptism and church membership. We rejoice the reaching of these unsaved people for Christ and His Churches. Each local church is encouraged to plan at least two revivals each year and to invite evangelists that will challenge the Christians and church members to more consistent Christian living in the home, church and the community.

An evangelism committee was elected to work with the chairman of evangelism in planning prayerfully the work of evangelism in the association in the future. Members of the committee are as follows: ex-officio members - Jimmy Hinson, Chairman of Evangelism; Lamar King, Moderator; J.D. Harrod, DOM; lay members - Bob Allen, Marjorie Hill, Hilda Neill; ministers - Bob Glasgow, Tom Langston, and Gene Boatwright. The committee has met and discussed the possibility of an area-wide crusade in 1984. Other ministers and lay members are being enlisted for a sharing meeting in relationship to the crusade in the future.

The Statewide Evangelism Conference was held in Greensboro with pastors and lay members from across the state in attendance. The speakers and music were inspiring and challenged those present to go back to the church and community and reach people for Christ and His Churches.

The Annual Youth Evangelism Meeting was held on Saturday afternoon, August 13, in the coliseum with approximately 5,000 in attendance and 100 decisions. SBC President, Dr. Jimmy Draper, shared the sermon and "Truth", an outstanding musical group, presented a concert of Christian music.

CHURCH TRAINING

"Equipping for Family and Ministry" was the key theme of Church Training in 1982-83. This theme was emphasized at "M" Night, as 17 churches participated in this annual event on November 29 at Westchester Baptist Church. Dr. Adrian Harris of Greensboro brought the keynote message. The crowd of 310 included banner-winning groups from Lexington Avenue (High Attendance) and East Grimes Chapel (Percentage Attendance). The CBA choir and the instrumental ensemble of Oak View provided special music.

In March, an associational conference on "Developing Believers" was held at Green Street.

Children's Bible Drill teams from Green Street and Hilliard Memorial participated in the Regional Competition in May and the Statewide Finals in June. How encouraging it is to see these young people learn to use their Bibles and grow in Bible knowledge.

I'm excited about Sunday School work in the times in which we live. Sunday School is a tremendous opportunity to influence people for Jesus. May I illustrate?

"It All Started With A Visit"

"A Sunday School teacher, Mr. Kimball, in 1858 led a Boston shoe clerk to give his life to Christ. the clerk, Dwight L. Moody, became an evangelist. In England in 1879, he awakened evangelistic zeal in the heart of Frederick B. Meyer, pastor of a small church. F.B. Meyer, preaching to an American college campus, brought to Christ a student named Wilbur Chapman. Chapman, engaged in YMCA work, employed a former baseball player, Billy Sunday, to do evangelistic work. Billy Sunday held a revival in Charlotte, N.C. A group of local men were so enthusiastic afterward that they planned another evangelistic campaign, bringing Mordecai Hamm to town to preach. During Hamm's revival, a young man named Billy Graham heard the gospel and yielded his life to Christ. Only eternity will reveal the tremendous impact of that one Sunday School teacher who invested his life in the lives of others. WILL YOU INVEST YOUR LIFE IN THE LIVES OF OTHERS?" Will you?

We are continuing our convention-wide campaign to increase S.S. enrollment to eight and one-half million by September 30, 1985. This campaign is titled 8.5 by 85 and is an integral part of the 1982-85 Bold Mission Thrust adopted by the SBC meeting in St. Louis in 1980. To help implement 8.5 by 85, each church is asked to set a goal for S.S. enrollment and attendance. To date, several of our churches have done this and we would encourage the others to do so by the beginning of the new church year.

Our CBA ASSIST Team is available to help you in anyway we can. The Team is composed of:

Sunday School Director - Yates Wilkinson; General Officers - Mike Jones; Adults -(vacant);Youth - Susan Jones; Children -(vacant); Preschool - Evelyn Carver.

CBA S.S. Workers' Conference will be held at Conrad Memorial Baptist Church on September 19 & 20.

Vacation Bible School reports were encouraging as many churches reported highly successful schools. Our CBA Clinic, held at the Oak View Baptist Church under the capable direction of Andy Anderson, had a total of 100 people attending from 18 churches.

The State Convention S.S. Department is planning an area wide Metrolina Clinic for the Triad Area in 1985. I suggest that we plan to participate in this effort. We hope that your Sunday School will grow in 1983-84. In fact, if you want your church to grow - lead your Sunday School to grow.

MUSIC

The Church Music Emphasis for churches of our association and throughout the Southern Baptist Convention for the church year of 1982-83 has been "Reaching People Through Instrumental Music." This emphasis by the Church Music Department in Nashville and in our NC Baptist State Convention furthers the cause of reaching people through the Bold Mission Thrust. The objective of this theme has been to lead people to grow spiritually through instrumental music experiences.

Two of our churches in CBA now have ongoing instrumental ensemble programs that meet and perform in worship services on a regular schedule. These churches are Green Street and Oak View. May our tribes increase in this growing area of church music.

Several of our churches have been involved in the area of handbell ministries over the past year. These churches are: High Point First, Green Street, English Road and Lexington Avenue. If there are other churches with this type of music ministry, please let me know. These groups afford the church with a very valuable and unique tool in outreach evangelism. We are hoping in the year ahead, to have many other of our churches beginning this exciting means of reach people through handbell ringing.

With the theme of "Reaching People Through Instrumental Music," it has become apparent to me that those who serve in our churches as pianists and organists are sometimes forgotten in the Music Ministries of our church. Take time to share with them how much you appreciate them.

We have continued work with the Associational Choir during this past church year. They sang for the Annual Meeting in September, 1982, the "M" Night Service in November, 1982, and the Bold Mission Rally in July, 1983. We are grateful to each choir member, Music Director, and Mrs. Connie Boatwright for their help with the CBA Choir over the past year.

As we look to 1983-84, our emphasis will be "Reaching People Through Youth." I challenge each of us to "Give of our Best to the Master"...Give Him the Best of the Youth from our churches.

LITERACY

Literacy work continues to be a tiny light in the great darkness of the many adult non-readers. Statistics show that 33% of adults over the age of 18 in North Carolina are functional illiterates. They lack sufficient grasp of basic skills to perform in everyday life. Illiterates account for much of the crime and unemployment. In the face of these facts, we see our work as critical and the need to expand our efforts as imperative.

Our thrust this year has been in the following:

(1) a Laubach workshop held in April with Mary Talbert and Mary Whaley as trainers. Twenty-one students became tutors and many have already begun teaching adult non-readers.

(2) formation of a High Point Literacy Council composed of all certified tutors with these officers:

Chairman - Thelma Bollinger; Vice Chairman - Ronda Odenwelder; Secretary and Records Chairman - Donice Harrod.

Benefits of council membership include:

* 20% discount on all Laubach materials
* four issues of Literacy Advance
* updated materials to aid trainers and groups
* regular mailings from New Reader's Press of new materials
* national biennial conferences to give volunteers the opportunity to share expertise and experience, and gain knowledge of new techniques.

(3) continuing Literacy efforts as reflected in the following report:

14 Laubach tutors taught 10 adults and 3 school-age students

10 ESOL tutors taught 13 adults and 3 school-age students.

Grand Total: 24 tutors taught 29 students.

ESOL (English to Speakers of Other Languages) students included people from Korea, Loas, Cuba, Costa Rica, Vietnam, and Romania.

Certified tutors represent 11 of our churches: Conrad Memorial, East Grimes Chapel, Emerywood, English Road, Green Street, High Point First, Hilliard Memorial, Jamestown First, Oak View, Reavis Memorial and Westchester.

The enthusiasm of those learning to read and those learning to speak, read, and write English fires our own enthusiasm as we teach. We experience "abundant joy" of serving Jesus as we "do unto one of the least of these, my brethren."

PRAYER

We have had a very rewarding year in our prayer ministry. There are 30 churches participating in our Intercessory Prayer Ministry with a dedicated Prayer Leader in each church. This leader calls in prayer requests each week to the Baptist Assist Line - (883-0327). On Wednesday, this leader calls back to receive the total list of needs in our association and takes this to his/her Wednesday night Prayer Service. In this way, all CBA churches unite in prayer for specific needs.

Thus, by joining our hearts in loving concern for our brothers and sisters in Christ, we demonstrate a sense of unity and togetherness that we truly are the body of Christ, concerned about the needs of our fellowmen. We have felt an awareness of our close kinship with all the churches in our association through this avenue of corporate prayer this year.

God has answered many prayers in this ministry. People have been healed, family problems have been solved, church needs have been met, and - most important of all - people have found Christ. All of these things have come about because we cared enough to pray.

On May 15, we participated in a day of concerted, specific prayer for the annual meeting of the Southern Baptist Convention.

The Prayer Chairman met with the representatives from each church for a planning and sharing session on January 30. Suggestions were made about the continuing prayer ministry of the association.

I want to especially express my appreciation and gratitude to the Prayer Leaders of our churches. Also, I would like to thank the volunteers who serve on the Baptist Assist telephone ministry.

We thank God for this loving, joyous unity in prayer; and, we know that miracles happen in churches where people really pray. How thankful we are for this ministry of Intercessory Prayer in our association.

EMERGENCY CARE HOME

June 1983 began the fourth year that CBA and the Baptist Children's Homes have worked together to make the High Point Baptist Emergency Care Home a reality. During this time, the churches and their members have joined together in prayer, love and continued support of our joint program. It is because of this continued support that we have been able to serve 123 children a total of 5,216 days.

The continuing project of the associational WMU to involve the individual churches to sponsor us each month has provided many varied special activities such as: outings, meals, household needs, additional furnishings, grooming supplies, and many other numerous things to add to the comfort and needs of the children and the Home.

Many other individual churches, interested persons, and specific church groups have also given specific gifts as well as gifts of money to purchase special needs; such as, additional fans to help us through the long, hot summer. There was also the gift of a membership to the YMCA which afforded us the opportunity to take the children to the YMCA for swimming and other activities.

Many of our children made much progress during their stay at the Home. Some returned to live at home while others were placed in a permanent long-term placement where they would continue to receive love and Christian training.

BAPTIST CHILDREN'S HOME OF N.C. REPORT

The services of the Baptist Children's Homes include: group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home program and its potential. Foster care provides one-on-one care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Dr. Michael C. Blackwell became the eight President of the Baptist Children's Homes of North Carolina on July 1, 1983. He follows in a noble tradition of excellence established by the seven men who preceded him in this position.

S.A.F.E.

Although S.A.F.E. (Singles Affiliated for Fellowship and Encouragement) is a non-denominational Club and is not sponsored by any specific church, it is a recognized ministry of the Central Baptist Association. S.A.F.E. was started in April of 1979 by a few concerned people who felt there was a need for a program of some type for Christian singles.

The purpose of S.A.F.E. is to help promote Christian fellowship and growth among single adults. S.A.F.E. is a club where we attempt to give encouragement and assistance in dealing with the problems, needs, and goals of single adults.

In holding weekly meetings on Tuesday evenings at 7:30 P.M. at the Central Associational Office, we try to provide a learning, sharing, and social experience and reach out with Christian love.

Our programs vary from interesting speakers to programs where everyone can participate. On weekends, the club plans activities which sometimes involves children of the singles such as cook-outs, bowling and putt-putt.

The average attendance has been approximately 25 at the weekly meetings and 10-15 on week-ends. To join S.A.F.E. all a person has to do is pay $1.00 a month and be active in the club.

RESOLUTIONS

Resolution concerning Alcohol:

Whereas the American public is aroused concerning the lax treatmemt of those who drive under the influence (DUI) by our courts; and

Whereas a movement to correct some of the laxity in our courts has been organized and mounted by Mothers Against Drunken Drivers (MADD); and

Whereas our Governor, the Honorable James Hunt, has led the legislature of North Carolina to adopt a new and stronger law against DUI's; and

Whereas beverage alcohol is one of the most potent drugs in our society that is so attractively promoted in sales promotion on TV by sports figures, and other prominent persons, to entice others to use beverage alcohol; and

Whereas so much of this advertising is directed toward our youth during sporting events on TV, and such promotion exerts a strong influence on our youth and persons of all ages; therefore

BE IT RESOLVED that we express our sincere and deep appreciation to Governor James Hunt and to our legislature for following his lead in passing the stronger law dealing with alcoholic beverages; and

BE IT FURTHER RESOLVED that we urge our governor and legislature to pass laws banning the advertising of alcoholic beverages in our state over TV and radio; and

BE IT FURTHER RESOLVED that we urge the Congress and the President of the United States, the Honorable Ronald Reagan, to pass laws banning the advertising of alcoholic beverages on TV and radio as quickly as possible; and

BE IT FURTHER RESOLVED that a copy of this resolution be sent to our Governor and to our President for further action by them by our legislature and Congress.

Resolution concerning Korean Airline Tragedy

Whereas the entire world has been shocked by the attack and shooting down of the Korean airliner in which two hundred and sixty-nine (269) persons lost their lives, representing thirteen (13) nationalities; and

Whereas our government has given ample proof of the terrible deed, showing that this act was without excuse on a peaceful commercial airliner; and

Whereas the Korean Central Baptist Church, affiliated with the Central Baptist Association as well as Korean people across the nation deplore this terrible deed; now

Be it resolved that Central Baptist Association go on record at the shock they feel at this terrible act of shooting down an innocent commercial airliner and express our sympathy to all who lost loved ones in this shocking act; and

BE IT FURTHER RESOLVED that all of us as individuals and as an Association go on record supporting our government and all airline legitimate organizations in seeking adequate regulations which will seek to assure in the future safety in the air for all commercial airlines of all nations; and

BE IT FURTHER RESOLVED that a copy of this resolution be sent to our President and a copy to the Biblical Recorder, our North Carolina Baptist State paper.

Resolution concerning Pornography

Whereas pronography is a curse to society in that it perverts and degrades sex, marriage, the home, and society; and

Whereas pronography's spread across the nation has had an impact in the triad area cities, undermining the Christian standards of goodness and decency in conduct, and influences in the wrong way the thinking and action of those who get caught up in such literature, pictures, and TV and does great harm as manifested in the increase of sex crimes in the nation and in our Triad area; therefore

BE IT RESOLVED that we ask our people to speak out against this evil wherever they see it mainifested in public, as in stores that display pronographic materials; speak out by going to the managers and to persons in responsible places; and

BE IT FURTHER RESOLVED that we call upon our elected officials in city, county and state to do all possible to close the so-called X-rated book stores and picture houses and places in public where pornographic materials are openly shown; and

BE IT FURTHER RESOLVED that we urge our people to write to the Southland Corporation, John P. Thompson, Chairman, 2828 North Haskell Road, Dallas, Texas (telephone 214-828-7011); for this is the corporation that own the Seven-Eleven Stores and they sell more pornographic magazines than any other retailer in America; and

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Southland Corporation and to our Mayor to give consideration to this matter in City Council; and

BE IT FURTHER RESOLVED that we commend the work of the Christian Action League of North Carolina for their positive leadership in combatting this evil as well as other evils in our society.

Resolution concerning City Parade

Whereas the High Point Merchant's Association Parade Committee has planned the Holiday Festival Parade for 1983 on Wednesday, November 23 at 6:00 P.M.; and

Whereas many of our churches will be having regularly scheduled Wednesday night activities; therefore

BE IT RESOLVED that the Central Baptist Association go on record as deploring the scheduling of this parade so as to conflict with regular church activities; and

BE IT FURTHER RESOLVED that the High Point Merchant's Association be asked to reconsider this date whereby they might choose another time so as not to deny the pople of our churches the opportunity of participating in this parade as they (the Association) have invited our churches to do, providing floats or being spectators; and

BE IT FURTHER RESOLVED that a copy of this resolution be sent immediately to the Merchant's Association.

A BRIEF HISTORY OF CENTRAL BAPTIST ASSOCIATION

In a meeting held at High Point First Baptist Church on November 24, 1958, Central Baptist Association was formally organized. Twenty-four churches were charter members with the membership expanding to 30 churches within the year.

The first annual meeting was held at Fairmont Park Baptist Church on October 15, 1959, with Clyde Tucker, pastor of Reavis Memorial, serving as the first moderator of the association.

On September 12, 1961, Floyd Rhyne was called as the first Director of Missions. He led the association in many exciting "firsts" as his zeal and enthusiasm brought expanded interests in associational missions within the churches.

On January 4, 1971, the association purchased a house located at 402 Steele Street in downtown High Point. This became the headquarters for the associational office and mission center. Sewing lessons, a food pantry, and a clothing closet were among the varied ministries offered.

In October, 1971, the association began a ministry of alcoholic rehibilitation which came to be known as the Samaritan Inn. Oren Mills served as the director. This work continued until 1973.

In April, 1971, Robert Canipe was employed by the association to serve as a part-time director of the Juvenile Rehibilitation program. This position was discontinued in 1976.

Due to health reasons, Floyd Rhyne resigned on September 30, 1973. The association regretfully accepted his decision and a Search Committee was formed to seek another Director of Missions.

On July 1, 1974, J.D. Harrod was called to serve as the second Director of Missions. He continues in this position until the present.

On January 1, 1977, James H. Pope was employed to serve as the first Director of Christian Social Ministries. He remained at this post for a period of three years and nine months, creating much interest and growth in all aspects of mission outreach through the association.

In March, 1978, the College Heights Baptist Church voted to disband. They donated their building and property to Central Baptist Association. This facilitated two important changes: (1), the office building was relocated to the site on 1411 Jensen Street, and (2), the Steele Street house was converted into a much needed Emergency Care Home for youth.

The Emergency Care Home opened its doors in June, 1979. Paul and Lisa Daley served as the first houseparents. They dedicated themselves to this task in a wonderful way until they transferred to the Wilderness Camping Program of the Baptist Children's Homes in March, 1981. At that time, John and Mary Small assumed the leadership of the Emergency Care Home and continue to serve with dedication and expertise. CBA is rightly and justly proud of the ministry of the ECH.

Foreign Missions became a present reality for CBA as a Korean congregation, pastored by Dennis Kim, applied for membership into our association in 1980. This group met for a period of time in the associational building and then in the chapel of Green Street Baptist. Presently, they are meeting in the facilities of the Emerywood Baptist Church and are being led by Pastor Seong 'Yoon Hyeon. They are organized under the name, Korean Central Baptist Church. CBA is honored to have this church as a part of its fellowship.

As Central Baptist Association celebrates its Twenty-Fifth Year of existence during 1983, we recognize the ever increasing needs which are before us and the challenges which are ours to accept and fulfill. Volunteers are the key to the success of our ministry. We are grateful to those who give of their time and talents to serve on committees and in the various aspects of service through the association. The association is in good health and has a bright future.

TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE!

EXECUTIVE COMMITTEE REPORT

This report is a condensation of the six meetings of the Executive Committee during the past year. Detailed proceedings of each of these meetings are on file at the CBA office.

November 23, 1982:

Reports were given by the various officers, committee chairmen, and representatives. The Annual Minutes and the calendar of activities were distributed.

Action was taken to approve an expenditure to allow for electrical work to be done in the CBA office.

The Missions Committee reported that work is being coordinated with Trinity and Jamestown First to assist in utilization of the survey results done this summer in seeking to establish new points of work.

January 18, 1983:

After reports were presented from the leaders, several points of emphasis were noted. The WMU will again honor church staff ministers and their wives with an Appreciation Dinner on February 15 at Oak View Baptist Church. The WMU has also installed an Assist Telephone Service in the associational office which will be manned by volunteers. A statewide training session on the new "Understanding" age-level books will be held at Green Street Baptist Church on February 11.

Marshall Collins, pastor of Green Street, requested that CBA go on record as approving the call of a black pastor to serve the Grimes Ave. Missions. This request was granted.

The moderator appointed a committee to study and revise as needed, the Constitution and By-Laws of Central Association. Dr. R.E. Williams will chair this committee and other members will be Mrs. Helen Davis and Rev. Woodrow Hill.

March 22, 1983:

Dan Abernathy, pastor of Reavis Memorial, presented highlights of his recent trip to Barbados. The business session was conducted by Herb Edwards, vice-moderator. Several reports of recent events included: Associational Youth Night planned by Dale Watts and held at High Point, First with 468 attending; Ordination Coucil recommendation to Archdale, First that Don Gurley, a member of that church who is presently serving at Albertson Road Baptist, be ordained to the gospel ministry; Literacy work is reaching 24 persons each week. The following recommendations were approved as presented by the Missions Committee:

...that the Korean Church be assisted in locating a suitable place for their worship services;

...that the DOM be authorized to repair the existing video tape player and purchase an additional player;

...that the Singles (S.A.F.E.) group be guided by a council from CBA - this council to be named by the moderator and the DOM.

Rev. George Jeffreys, the new pastor of Garrell Street Baptist Church, was welcomed.

May 17, 1983:

A Day of Prayer is to be observed on May 15 for the Southern Baptist Convention meeting. A recent Literacy Workshop trained 22 new tutors. The plans for the upcoming Bold Mission Rally on July 17 at the First Baptist in High Point, were announced. Guest speakers will be Dr. Charles Fuller (Roanoke, Va.) and Rev. Richard Everett (Raleigh). The CBA choir will sing.

A motion passed as presented from the WMU by Cathy Brooks that CBA sponsor a Mission Rally on February 19, 1984, at High Point, First with Miss Carolyn Weatherford as speaker.

Appreciation was expressed for the recent improvements in the CBA auditorium, including new carpeting, repainting and new drapes. A letter of appreciation was sent to the Wagoner's of the Children's Homes upon their retirement.

The VBS Clinic, under direction of Andy Anderson, had 100 attending from 18 CBA churches.

June 21, 1983:

Thelma Bollinger reported that our literacy work is now officially organized with the Laubach National Headquarters. Yates Wilkinson announced a Sunday School Leadership Training for September 19 & 20 to be held at Conrad Memorial Baptist Church. Jimmy Hinson has contacted various leaders of churches who are interested in combining efforts to have a crusade in 1984 in our city. The Korean Church is now meeting in the fellowship hall of the Emerywood Baptist Church. A fund to assist the Korean pastor in expenses involved in moving his family to the U.S. has been initiated.

The motion was made that we have a dual dedication of the Minutes for 1983; to include both Rev. Charlie Pierce and Rev. W.D. Williamson who have died during this year.

August 23, 1983:

Special guest, Dan Romenger, presented the work of the House of Prayer for Alcholics. Extensive plans were presented by the Annual Sessions Program Committee, Gene Boatwright, chairman. These plans center around the celebration of the 25th Anniversary of CBA. Each church is to write a brief history and plan a display for the session on September 12 at Westchester. The theme: "Looking Forward by Looking Back" will be enlarged by speakers Bob Glasgow, David Matthews, George Dye, and Paul Craven. The proposed budget was presented for discussion by Jerry Benfield. Helen Davis presented the report of the Nominating Committee of officers who will be elected at the Annual Meeting.

WOMAN'S MISSIONARY UNION REPORT

"Training is the key to effective leadership." Because Woman's Missionary Union has long recognized this to be true, the associational WMU Council began the 1982-83 year with a Leadership Training Conference for all church age-level officers and members of WMU. This was held September 20 & 21 at Westchester Baptist Church. There were 21 churches in our association represented at that meeting. There was also a large display of materials presented by the Baptist Book Store. This made it possible for all those who had not purchased necessary materials to do so at that meeting.

Baptist Women's World Day of Prayer was held on November 1 at Hilliard Memorial. There was an excellent number of women and children attending. The emphasis is strictly on prayer for needs around the world. As is usual for the women of CBA, a generous offering was received in the amount of $77.00 for this worldwide effort.

Because we know that our youth organizations (Acteens, GA's, and Mission Friends) are preparing young women to be WMU leaders and mission "do-ers" of the future, a conference titled "Minding the Future" was held at Green Street in November for all youth leaders.

A sleep-over for Acteens was held in November at English Road with 10 churches represented. This is one of the areas where our growth is very slow. There have been 2 or 3 new organizations begun in the churches during this past year. The biggest problem seems to be finding adequate leadership for this age-level. Our churches need to make this concern a matter of prayer.

Girls in Action (grades 1-6) were able to "Catch the Spirit" at their associational sleep-over also held in November at Jamestown First Baptist. It was a great success with 115 GA's attending.

During the Foreign Mission study time and Week of Prayer for Foreign Missions, most of our churches were introduced to the tremendous needs that exists in the urban areas of our world. A number of council members were able to help by teaching this material to many churches in our association.

February brought about the time the associational WMU shows appreciation to the pastors and staff members of our churches. The final effectiveness of WMU in a church is determined, to a large degree, by these people and we want to cooperate as completely as possible. The dinner was held at Oak View Baptist Church. The emphasis was on renewed commitment on the part of both WMU and church staffs to cooperate in spreading the Gospel and ministering to the real, ever present needs around us.

A large group of women from Central Association attended the WMU State Annual Session this year. It was held at Ridgecrest with a total registered of over 2,300. Women were truly challenged to be "Accountable" to the world around us and be part of meeting, not creating, needs.

A number of activities were held for Baptist Young Women during this year. In spite of small attendance, the enthusiasm is there to help this age-level grow stonger organizations.

Mrs. Christine Gregory, former president of the SBC Woman's Missionary Union, and the first woman president of the Virginia State Convention (called the General Association of Virginia) challenged the women at our annual meeting held at Jamestown First Baptist on April 5.

A Prayer Retreat was held for BW/BYW at Mundo Vista on Saturday, April 30. The 68 women from 13 CBA churches who attended were led by various women to accept the challenge to "Bloom Where You're Planted."

Other youth activities like Mother/Daughter Banquets for both Acteens and GA's and a Day Camp for younger GA's topped off an exciting, full year for WMU in Central Association. The council has attempted in each activity this year to help women and girls "Catch the Spirit of the New WMU."

WMU from CBA has long been thankful for the opportunity to support and encourage the Emergency Care Home now under the loving care of John and Mary Small, houseparents. Individual churches are requested to begin now to make plans for an even wider variety of support activities for the coming year.

To the outgoing members of the council, I want to express my appreciation for a job excellently done. To the new members of the council, may we prepare our hearts to strongly utilize our "Partnership in Prayer and Ministry" during the coming years.

EVANGELISM

Some of the churches have experienced good revivals during the past year with people believing, receiving Jesus Christ and confessing Him as Saviour and Lord, requesting baptism and church membership. We rejoice the reaching of these unsaved people for Christ and His Churches. Each local church is encouraged to plan at least two revivals each year and to invite evangelists that will challenge the Christians and church members to more consistent Christian living in the home, church and the community.

An evangelism committee was elected to work with the chairman of evangelism in planning prayerfully the work of evangelism in the association in the future. Members of the committee are as follows: ex-officio members - Jimmy Hinson, Chairman of Evangelism; Lamar King, Moderator; J.D. Harrod, DOM; lay members - Bob Allen, Marjorie Hill, Hilda Neill; ministers - Bob Glasgow, Tom Langston, and Gene Boatwright. The committee has met and discussed the possibility of an area-wide crusade in 1984. Other ministers and lay members are being enlisted for a sharing meeting in relationship to the crusade in the future.

The Statewide Evangelism Conference was held in Greensboro with pastors and lay members from across the state in attendance. The speakers and music were inspiring and challenged those present to go back to the church and community and reach people for Christ and His Churches.

The Annual Youth Evangelism Meeting was held on Saturday afternoon, August 13, in the coliseum with approximately 5,000 in attendance and 100 decisions. SBC President, Dr. Jimmy Draper, shared the sermon and "Truth", an outstanding musical group, presented a concert of Christian music.

BROTHERHOOD

Baptist Men's work continues to be a large part of the state Baptist programs. Our state Brotherhood Director, David Langford, and his staff are continually improving and strengthening old programs as well as initiating new ones.

The Regional Workshop will be held on Tuesday, September 20, from 7:00-9:00 PM at Friendly Avenue Baptist Church in Greensboro. The Baptist Men's Convention will be held on November 12-13 also at Friendly Avenue Church. The program includes a Sunday Prayer Breakfast. These state meetings are always informative and inspirational.

CHURCH TRAINING

"Equipping for Family and Ministry" was the key theme of Church Training in 1982-83. This theme was emphasized at "M" Night, as 17 churches participated in this annual event on November 29 at Westchester Baptist Church. Dr. Adrian Harris of Greensboro brought the keynote message. The crowd of 310 included banner-winning groups from Lexington Avenue (High Attendance) and East Grimes Chapel (Percentage Attendance). The CBA choir and the instrumental ensemble of Oak View provided special music.

In March, an associational conference on "Developing Believers" was held at Green Street.

Children's Bible Drill teams from Green Street and Hilliard Memorial participated in the Regional Competition in May and the Statewide Finals in June. How encouraging it is to see these young people learn to use their Bibles and grow in Bible knowledge.

SEMINARY EXTENSION

For the second consecutive year, CBA Seminary Extension Center offered three terms of study during the church year 1982-83. All of these were held at the CBA office on Jensen Street.

The following courses were taught:

SUNDAY SCHOOL REPORT

I'm excited about Sunday School work in the times in which we live. Sunday School is a tremendous opportunity to influence people for Jesus. May I illustrate?

"It All Started With A Visit"

"A Sunday School teacher, Mr. Kimball, in 1858 led a Boston shoe clerk to give his life to Christ. the clerk, Dwight L. Moody, became an evangelist. In England in 1879, he awakened evangelistic zeal in the heart of Frederick B. Meyer, pastor of a small church. F.B. Meyer, preaching to an American college campus, brought to Christ a student named Wilbur Chapman. Chapman, engaged in YMCA work, employed a former baseball player, Billy Sunday, to do evangelistic work. Billy Sunday held a revival in Charlotte, N.C. A group of local men were so enthusiastic afterward that they planned another evangelistic campaign, bringing Mordecai Hamm to town to preach. During Hamm's revival, a young man named Billy Graham heard the gospel and yielded his life to Christ. Only eternity will reveal the tremendous impact of that one Sunday School teacher who invested his life in the lives of others. WILL YOU INVEST YOUR LIFE IN THE LIVES OF OTHERS?" Will you?

We are continuing our convention-wide campaign to increase S.S. enrollment to eight and one-half million by September 30, 1985. This campaign is titled 8.5 by 85 and is an integral part of the 1982-85 Bold Mission Thrust adopted by the SBC meeting in St. Louis in 1980. To help implement 8.5 by 85, each church is asked to set a goal for S.S. enrollment and attendance. To date, several of our churches have done this and we would encourage the others to do so by the beginning of the new church year.

Our CBA ASSIST Team is available to help you in anyway we can. The Team is composed of:

Sunday School Director - Yates Wilkinson; General Officers - Mike Jones; Adults -(vacant);Youth - Susan Jones; Children -(vacant); Preschool - Evelyn Carver.

CBA S.S. Workers' Conference will be held at Conrad Memorial Baptist Church on September 19 & 20.

Vacation Bible School reports were encouraging as many churches reported highly successful schools. Our CBA Clinic, held at the Oak View Baptist Church under the capable direction of Andy Anderson, had a total of 100 people attending from 18 churches.

The State Convention S.S. Department is planning an area wide Metrolina Clinic for the Triad Area in 1985. I suggest that we plan to participate in this effort. We hope that your Sunday School will grow in 1983-84. In fact, if you want your church to grow - lead your Sunday School to grow.

MUSIC

The Church Music Emphasis for churches of our association and throughout the Southern Baptist Convention for the church year of 1982-83 has been "Reaching People Through Instrumental Music." This emphasis by the Church Music Department in Nashville and in our NC Baptist State Convention furthers the cause of reaching people through the Bold Mission Thrust. The objective of this theme has been to lead people to grow spiritually through instrumental music experiences.

Two of our churches in CBA now have ongoing instrumental ensemble programs that meet and perform in worship services on a regular schedule. These churches are Green Street and Oak View. May our tribes increase in this growing area of church music.

Several of our churches have been involved in the area of handbell ministries over the past year. These churches are: High Point First, Green Street, English Road and Lexington Avenue. If there are other churches with this type of music ministry, please let me know. These groups afford the church with a very valuable and unique tool in outreach evangelism. We are hoping in the year ahead, to have many other of our churches beginning this exciting means of reach people through handbell ringing.

With the theme of "Reaching People Through Instrumental Music," it has become apparent to me that those who serve in our churches as pianists and organists are sometimes forgotten in the Music Ministries of our church. Take time to share with them how much you appreciate them.

We have continued work with the Associational Choir during this past church year. They sang for the Annual Meeting in September, 1982, the "M" Night Service in November, 1982, and the Bold Mission Rally in July, 1983. We are grateful to each choir member, Music Director, and Mrs. Connie Boatwright for their help with the CBA Choir over the past year.

As we look to 1983-84, our emphasis will be "Reaching People Through Youth." I challenge each of us to "Give of our Best to the Master"...Give Him the Best of the Youth from our churches.

MISSIONS COMMITTEE REPORT

Your committee has held six meetings during the Associational year. The members of the committee have attended meetings well and have been very responsive.

Most of the committee's time and attention has been given to trying to follow up any possible steps toward establishing new work in the Colony Park and Wildwood areas. Trinity Church has been working on getting a Mission started in the Wildwood area and have had some meetings at homes, but have been unable to get a meeting place. Not much has been done in the Colony Park area. There must be further follow-up on this. Serious consideration has been given to trying to start a Sunday School at the Associational Office Headquarters. The committee has been unable to get a church to sponsor this.

The committee considered a seminar or some means of getting the churches to have an active Missions Committee. No conclusion was reached.

The committee recommended that the association assist the Korean Church in getting a permanent location. It also recommended that an Associational Council be appointed by the Moderator and Missions director to supervise the Singles Activities at the Associational Building.

The committee requested the Director of Missions to write a letter of solicitation to all the churches asking them to make a contribution toward a fund to help the Pastor of the Korean Church bring his family to America.

The committee was asked to consider some kind of help for the House of Prayer. In response, it was decided to ask the Director of the House of Prayer to attend the August meeting of the Executive Committee and present the needs.

LITERACY

Literacy work continues to be a tiny light in the great darkness of the many adult non-readers. Statistics show that 33% of adults over the age of 18 in North Carolina are functional illiterates. They lack sufficient grasp of basic skills to perform in everyday life. Illiterates account for much of the crime and unemployment. In the face of these facts, we see our work as critical and the need to expand our efforts as imperative.

Our thrust this year has been in the following:

(1) a Laubach workshop held in April with Mary Talbert and Mary Whaley as trainers. Twenty-one students became tutors and many have already begun teaching adult non-readers.

(2) formation of a High Point Literacy Council composed of all certified tutors with these officers:

Chairman - Thelma Bollinger; Vice Chairman - Ronda Odenwelder; Secretary and Records Chairman - Donice Harrod.

Benefits of council membership include:

* 20% discount on all Laubach materials

* four issues of Literacy Advance

* updated materials to aid trainers and groups

* regular mailings from New Reader's Press of new materials

* national biennial conferences to give volunteers the opportunity to share expertise and experience, and gain knowledge of new techniques.

(3) continuing Literacy efforts as reflected in the following report:

14 Laubach tutors taught 10 adults and 3 school-age students

10 ESOL tutors taught 13 adults and 3 school-age students.

Grand Total: 24 tutors taught 29 students.

ESOL (English to Speakers of Other Languages) students included people from Korea, Loas, Cuba, Costa Rica, Vietnam, and Romania.

Certified tutors represent 11 of our churches: Conrad Memorial, East Grimes Chapel, Emerywood, English Road, Green Street, High Point First, Hilliard Memorial, Jamestown First, Oak View, Reavis Memorial and Westchester.

The enthusiasm of those learning to read and those learning to speak, read, and write English fires our own enthusiasm as we teach. We experience "abundant joy" of serving Jesus as we "do unto one of the least of these, my brethren."

PRAYER

We have had a very rewarding year in our prayer ministry. There are 30 churches participating in our Intercessory Prayer Ministry with a dedicated Prayer Leader in each church. This leader calls in prayer requests each week to the Baptist Assist Line - (883-0327). On Wednesday, this leader calls back to receive the total list of needs in our association and takes this to his/her Wednesday night Prayer Service. In this way, all CBA churches unite in prayer for specific needs.

Thus, by joining our hearts in loving concern for our brothers and sisters in Christ, we demonstrate a sense of unity and togetherness that we truly are the body of Christ, concerned about the needs of our fellowmen. We have felt an awareness of our close kinship with all the churches in our association through this avenue of corporate prayer this year.

God has answered many prayers in this ministry. People have been healed, family problems have been solved, church needs have been met, and - most important of all - people have found Christ. All of these things have come about because we cared enough to pray.

On May 15, we participated in a day of concerted, specific prayer for the annual meeting of the Southern Baptist Convention.

The Prayer Chairman met with the representatives from each church for a planning and sharing session on January 30. Suggestions were made about the continuing prayer ministry of the association.

I want to especially express my appreciation and gratitude to the Prayer Leaders of our churches. Also, I would like to thank the volunteers who serve on the Baptist Assist telephone ministry.

We thank God for this loving, joyous unity in prayer; and, we know that miracles happen in churches where people really pray. How thankful we are for this ministry of Intercessory Prayer in our association.

EMERGENCY CARE HOME

June 1983 began the fourth year that CBA and the Baptist Children's Homes have worked together to make the High Point Baptist Emergency Care Home a reality. During this time, the churches and their members have joined together in prayer, love and continued support of our joint program. It is because of this continued support that we have been able to serve 123 children a total of 5,216 days.

The continuing project of the associational WMU to involve the individual churches to sponsor us each month has provided many varied special activities such as: outings, meals, household needs, additional furnishings, grooming supplies, and many other numerous things to add to the comfort and needs of the children and the Home.

Many other individual churches, interested persons, and specific church groups have also given specific gifts as well as gifts of money to purchase special needs; such as, additional fans to help us through the long, hot summer. There was also the gift of a membership to the YMCA which afforded us the opportunity to take the children to the YMCA for swimming and other activities.

Many of our children made much progress during their stay at the Home. Some returned to live at home while others were placed in a permanent long-term placement where they would continue to receive love and Christian training.

BAPTIST CHILDREN'S HOME OF N.C. REPORT

The services of the Baptist Children's Homes include: group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home program and its potential. Foster care provides one-on-one care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Dr. Michael C. Blackwell became the eight President of the Baptist Children's Homes of North Carolina on July 1, 1983. He follows in a noble tradition of excellence established by the seven men who preceded him in this position.

S.A.F.E.

Although S.A.F.E. (Singles Affiliated for Fellowship and Encouragement) is a non-denominational Club and is not sponsored by any specific church, it is a recognized ministry of the Central Baptist Association. S.A.F.E. was started in April of 1979 by a few concerned people who felt there was a need for a program of some type for Christian singles.

The purpose of S.A.F.E. is to help promote Christian fellowship and growth among single adults. S.A.F.E. is a club where we attempt to give encouragement and assistance in dealing with the problems, needs, and goals of single adults.

In holding weekly meetings on Tuesday evenings at 7:30 P.M. at the Central Associational Office, we try to provide a learning, sharing, and social experience and reach out with Christian love.

Our programs vary from interesting speakers to programs where everyone can participate. On weekends, the club plans activities which sometimes involves children of the singles such as cook-outs, bowling and putt-putt.

The average attendance has been approximately 25 at the weekly meetings and 10-15 on week-ends. To join S.A.F.E. all a person has to do is pay $1.00 a month and be active in the club.

MINISTERS' WIVES

The Minister's Wives Organization of CBA met six times during this past year. 1982-83 officers were:

Highlights of the year included a salad supper in September at the associational office followed by the viewing of the video tape "Clergy Marriages in Crisis" by David Mace; and, the annual picnic for ministers and wives held this year in May at Hilliard Memorial Baptist Church. Our guest speaker at this event was Dr. Mahan Siler, Director of Pastoral Care at the Baptist Hospital in Winston-Salem.

All wives of pastors and church staff are encouraged to join our group as our main purpose is to meet for fellowship.

PROCEEDINGS

Program theme:
Strengthening Families Through
Prayer, Bible Study, and Worship

Monday Session: September 17, 1984
Reavis Memorial Baptist Church

1. The 26th Annual Session of the Central Baptist Association was called to order by the moderator, Dr. Lamar King. Dan Abernathy, host pastor, gave words of welcome and Gene Boatwright led in a congregational hymn.

2. Ernie Tatum, the resident houseparent for our Emergency Care Home, brought a devotional based on Luke 11:1 emphasizing the necessity of a personal relationship with God through daily prayer.

3. Gene Boatwright, program committee chairman, expressed appreciation to his committee members for their work in planning this program. By common consent, the printed program was adopted.

4. Ina C. Cobb, prayer leader, recognized prayer leaders from the churches and gave words of gratitude to each one for their cooperation.

5. Thelma Bollinger, literacy coordinator, gave her report and reminded us that our area of North Carolina represents a great challenge as we have many adult non-readers and a large number of internationals.

6. Ernie Tatum reported that the Emergency Care Home is open and in full operation following extensive renovations. He presented Charles Tanner of the Baptist Children's Homes of North Carolina. Mr. Tanner reported that 142 children have been housed at our Emergency Care Home since its opening in June, 1980. He made an appeal for financial help for the BCH in light of a tremendous deficit. Larry Sawyer was also present from the BCH and he commended the Tatums as resident houseparents and requested the continued support from the churches for this home.

7. A time of recognition for new pastors and staff workers was called by the moderator. Those presented included: Ernie and Mildred Tatum (house-

parents at the Emergency Care Home); Frank Smith (Minister of Education-Youth, High Point First); and Dr. Gary Marsh (pastor, Green Street) was welcomed in absentia. The DOM, J.D. Harrod, recognized all CBA volunteer workers who were present and expressed his continued support and reliance upon their effective work.

8. Special music was presented by Richard Chalk, soloist. He sang, "God, Give Us Christian Homes."

9. Rev. Yates Wilkinson preached the annual sermon entitled: "A Foundation for the Family." Using scriptures from Genesis and Mark 10:6-9, He stated that families must be built on solid foundations. Referring to Ephesians 5 & 6, he listed materials of first quality which are to be utilized such as: Love, Communication, Understanding and Remaining in Love.

10. The session was dismissed for dinner with a prayer led by Frank Smith.

Evening Session (September 17: Reavis Memorial)

11. The evening session began with a congregational hymn and a prayer led by Rev. Seong 'Yoon Hyeon.

12. Reports were accepted as printed by the Treasurer, Wilfred Eddinger; the Clerk, Donice Harrod; and, the Finance Committee Chairman, Woodroe Haywood. A matter of wording in the proposed budget was questioned by W.W. Robbins who made a motion that the Christmas "Bonus" be changed to Christmas "Gift". This was seconded and passed by the group. The budget was accepted with the above amendment.

13. Missions Committee Chairman, Walter Crissman, presented his report with a challenge for greater mission involvement.

14. The Nominating Committee report was accepted as presented by chairman, R.E. Williams. The Committee on Committees report was also accepted as presented by chairman, Andy Anderson.

15. The Time, Place, Preacher Committee Report was presented by Rev. Max Reece. The 1986 CBA Annual Sessions will be held on September 16 at Green Street Baptist Church and on September 17 at First Baptist of High Point.

The Annual Sermon will be delivered by Rev. J. Charlie Monk.

16. Special Music by the Associational Brotherhood Chorus under the direction of John Gwaltney included: "I Am Resolved" and "Worthy Is the Lamb".

17. Rev. Billy Cline, pastor of Merrimon Avenue Baptist Church in Asheville, brought a sermon on the "Pattern, Price and Results of Private Devotional Life." Referring to II Samuel 7:9-17, Rev. Cline noted the pattern that David followed. The Price is found in verse 18 which says that we must sit alone with God each day. The Results will bring positive attitude changes.

18. Rev. Billy Smith led the closing prayer.

Tuesday Session: September 18, 1985
Pilot View Baptist Church

19. The second day of the 26th Annual Session of Central Baptist Church was called to order by Herb Edward, Vice-Moderator. Lee Williard led the congregational hymn, "How Firm a Foundation" and Rev. Bynum Orr, host pastor, led in prayer and extended words of welcome.

20. Dr. Sara Ann Hobbs, Director of the Missions Division of the Baptist State Convention, gave a report concerning Baptist work in NC. She stated that we have 3,500 SBC churches in our state but that 50.6% of our state's population are not affiliated with any church, therefore our challenge to reach out within our own state is tremendous. One effort will be a Mega Focus in the Triad area in 1987 which will be sponsored by the Home Mission Board, the State, and the association. She expressed prayer for the election of the new executive secretary for our state convention.

She challenged our church leaders to seek personal growth for a new level of relationship in our co-existence. She closed by reminding us that we do not have emotional energy sufficient to fight the attacks of Satan and to attack each other.

21. A report was heard from the Resolutions Committee. Dr. Elliot Stewart presented a resolution concerning our stand against pornography and our support of the A.C.T.S. Network. Motion made and carried. J.D. Allgood read a resolution concerning Women in the Ministry submitted by Rev. Linda S. Morgan. This was accepted as information. A resolution of appreciation

to the host churches and all who made this annual session possible was adopted as presented.

22. Mr. Calvin Knight from the Baptist Hospital gave a report from that institution. He expressed appreciation for the benevolence fund to aid needy patients which is made possible by the N.C. Missions Offering.

23. Tom Allen gave the Evangelism report by announcing the Greater High Point Lay Revival Crusade which will be held on October 31-November 4 with 15 CBA churches participating. A Mass Rally will close this crusade and the speaker will be Dr. Delos Miles. He also gave some initial plans for the 1986 SBC Crusade, "Good News America."

24. Dr. Elliot Stewart reported about the work of the Seminary Extension classes. The name has been changed to Adult Christian Education (A.C.E.) and will include a variety of in-depth studies for all church members.

25. Tony Martin, Minister of Music of Lexington Avenue Baptist Church, presented a piano solo of a medley of hymns.

26. Dr. James Cammack, pastor of Snyder Memorial Baptist Church in Fayetteville, brought a message on the theme: Strengthening Families through Worship. He posed the question: How many times did you worship this past week? Psalm 145:2 says, "Everyday I will praise thee." As we worship individually, we will share our Christlikeness with our family of faith. Worship is important because we become like the God we worship.

27. The group was dismissed for dinner with a prayer led by Rev. Keithen Tucker.

Evening Session (September 18; Pilot View)

28. Gene Boatwright led in the singing of "To God be the Glory" as the evening session began. Virginia Reece gave the Memorials report and led in prayer.

29. Ernest Shuskey, Brotherhood Director, announced a variety of training opportunities which will be offered through his department for the coming year.

30. Andy Anderson gave the Sunday School report encouraging churches to attain their 8.5 by '85 goals.

31. Cathy Brooks, WMU Director, reported activities and plans. She challenged CBA to dig at least one well in Togo, West Africa which will cost $2,000.00.

32. Rev. Tom Langston gave an update on the television involvement of our association through A.C.T.S. and BTN. A.C.T.S. will present a positive witness through cable TV in the homes. This is from the Radio/TV Commission, SBC. BTN is the training and informational TV tapes from the Sunday School Board.

33. The 1984-85 associational officers were presented and installed with a prayer of dedication.

34. The Brotherhood Chorus sang "When We All Get to Heaven" and "Jesus Paid It All".

35. Doug Cole, director of the Department of Christian Family Life in the State Convention, presented a mini-family life conference. He stressed the importance of our churches investing time in family ministry. Citing cultural changes and their effects, he mentioned definite ways families can be strengthened as needs of individuals within the family are meet.

35. The 26th Annual Session closed with the passing of the gavel to the new moderator, Herb Edwards. Fred Brockway led in the prayer of benediction.

Rev. Kenneth Miller of the Credentials Committee made the motion that Faith Baptist Church be accepted into full membership of CBA having fulfilled the watchcare requirements. Passed.

The new video ministries of our convention were explained. BTN (Baptist TelNet) will be a teaching ministry of the Sunday School Board and will begin programming in June, 1984. ACTS (American Christian Television System) will be on cable network as a Christian witness into homes.

The Bold Missions Rally will be on May 20, 1984, with Dr. John Mills of the FMB, speaker.

January 17, 1984

The WMU will sponsor a Winter Missions Rally, Feb. 26 at High Point First with Carolyn Weatherford of Birmingham as speaker.

The Evangelism Committee recommended that CBA churches participate in a Greater High Point Area-Wide Lay Crusade during October 31 - November 4, 1984. Motion passed.

A letter of resignation was accepted from John and Mary Small, houseparents of the Emergency Care Home.

The Brotherhood Prayer Breakfast will be held on January 21.

March 20, 1984

A Brotherhood Chorus has been organized and is conducted by John Gwaltney.

A Missions Awareness Night will be held on April 13 at Westchester. This will be sponsored jointly by Brotherhood and WMU.

The 25th Anniversary of WMU will be celebrated on April 3 at Pilot View Church.

A Literacy workshop will be held on May 18, 19, and 26 for teaching internationals.

Appreciation was expressed to Tom and Bob Allen for the new sign at the CBA office.

The Personnel and Finance Committees brought a recommendation that a part-time secretary be employed at the CBA office (20 hrs. per week/$5.00 per hour). Motion passed.

A motion passed that cabinets (not to exceed $750) be installed at the CBA office to house TelNet equipment.

May 22, 1984

Congratulations were extended to the DOM, J.D. Harrod, upon the completion of his Doctor of Ministry Degree from Southern Baptist Theological Seminary this month.

Seminary Extension Director announced that this program will operate under a new title: Adult Christian Education Center.

A motion was made by the Evangelism Committee that CBA churches participate in the SBC 1986 revival crusade, "Good News America." This motion passed noting that each church will need to decide as to their individual participation.

A new program of stewardship, Growth in Giving, was explained. This will cover a 15 year span and conferences are planned for 1985 to implement its beginning.

M-Night will be held on November 19 at Lexington Avenue Church with Dr. Charles Page as speaker. Six participants from CBA participated in the Regional and State Children's Bible Drill.

Approval was given to invest $5,000. in ACTS and $1,236 in TelNet. The ACTS monies will apply toward equipment and the TelNet money will pay the subscription fee for CBA churches for one year.

A promotional dinner for ACTS was held at Reavis Memorial on June 18.

Baptist TelNet receiving and recording equipment has been installed at the CBA office. This was a donation of a layman.

Cabinets were installed at the CBA office for under $450. (To house TelNet equipment).

August 21, 1984

A motion was made that CBA churches be notified of the financial crisis at the Children's Homes of NC and that at least $5,000. be given from our associational churches.

A motion was made that we appropriate $200 per month (beginning in September 1984 for a period of six months) for the Korean Central Baptist Church to help stabilize their financial situation. This amount will be forwarded to them as the need exists and will be studied at the end of the six month period.

BROTHERHOOD

Almost one year ago, I was approached about serving as CBA Brotherhood Director. My first reaction was that I just did not have the time or the training necessary to serve in this capacity. After further thought and prayer, I did accept, stating that I would do the best I could realizing that it would be a three year period of personal training. However, it did not take long for me to discover that N.C. Baptist Men, under the heading of Brotherhood, is a very fascinating and far-reaching missionary endeavor encompassing not only the entire state of North Carolina but a very large part of the world. This work also covers hundreds of different fields of service, ranging from combating moral problems to building churches, adult education, prison ministry and many other varied services - such as, purchasing a new suit for a pastor in West Virginia and building a new church in Togo, West Africa. On and on goes the list of Brotherhood involvements. After this first year as CBA Brotherhood Director, I have learned that if I were to spend the rest of my life in Brotherhood work, I will never know all about Baptist Men in Missions!

Concerning our CBA Brotherhood during the past year, we have a lot of visions - some large, some not so large. Some of our visions are being planned, some are in progress, and some that will have been completed by the time you see this report in print. I appreciate your prayers and the ever-ready and willing help of our DOM, Dr. J.D. Harrod and the excellent staff of the CBA office.

We have accomplished a lot in the past church year. I will name a few. We have added one new and very active Brotherhood organization (Trindale Baptist Church). We had a very successful Prayer Breakfast on June 21 at the K & W Cafeteria with 127 men and boys attending. Under the Direction of John Gwaltney, a Baptist Men's Chorus has been organized. (You have had the pleasure of hearing them sing at the annual sessions of the association this year.) We have sponsored a "work weekend" at Caswell to assist with renovations of our State retreat.

I wish to extend a special word of thanks to the pastors of CBA for your many prayers and your unexcelled support and cooperation during this year. CBA Brotherhood could not do without your help.

-Ernest Shuskey

WOMAN'S MISSIONARY UNION REPORT

"Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have." (Col. 4:2,5 TEV)

The 1983-84 WMU Watchword was a constant reminder to members of WMU of our theme for the year: "Partnership in Prayer and Ministry." The associational WMU Council also kept this theme in mind as the activities for the year were planned.

Because WMU realizes that having well-trained leaders is important to the strength of its organizations, the 1983-84 year began with the WMU Leadership Conference. This was held on September 10 at Lexington Avenue Baptist Church with 74 women representing 16 churches attending.

The Baptist Women's World Day of Prayer was held November 7 at Reavis Memorial Baptist Church. Seventy-six people representing 15 churches joined in this special time of prayer emphasis. An offering of $72.05 was received for this worldwide effort sponsored by the Baptist World Alliance.

Thirty Acteens enjoyed a sleep-in at Allen Jay Baptist Church on November 11. This activity gave the Acteens of our association a chance to meet for a time of fun and fellowship.

To emphasize the Week of Prayer for Foreign Missions, WMU held a Missions Night Out on December 10 at Emerywood Baptist Church. Bob Polk, missionary to Bogota, Colombia and former pastor of Westchester Baptist Church gave an interesting and inspiring view of the work he and his wife, Ruth, are involved in. CBA needs to remember the Polks daily in prayer as they minister and witness to the people of Bogota.

A highlight of the year was the Pastor/Staff Appreciation Banquet held on February 14 at Westchester Baptist Church. Dr. Charles Petty, Director of Citizen's Affairs in the Governor's Office, gave an amusing, yet thought-provoking, message about the order of priorities in our lives. Dr. Petty challenged those attending to analyze their own lives to make sure that family comes after God yet before the work of the church.

February was a busy month with two other major WMU events occurring. On February 24, over 200 GAs, their mothers, and their leaders met at Emerywood Baptist Church to celebrate "Missionaries Have Birthdays, Too" at the GA Mother-Daughter Banquet. Carolyn Weatherford, Executive Director of WMU, SBC, encouraged the girls to support our missionaries through praying, giving, and learning about them.

On Sunday night, February 26, an inspiring and worshipful experience took place at the First Baptist Church of High Point, as the first WMU Winter Missions Rally was held. The theme of "Jesus as the Light of the World" was carried out beautifully through the music, the message by Carolyn Weatherford, and the candlelight service at the close of the program. Those attending were challenged to greater efforts in their own lives to reach out through missions.

Woman's Missionary Union of Central Baptist Association celebrated its Twenty-fifth Anniversary at the WMU Annual Meeting at Pilot View Baptist Church on April 3. A drama highlighting the different areas of WMU work as we are "Laborers Together With God" was presented.

In order to help people be aware of work projects that need participants, the WMU and Brotherhood of CBA held a Missions Awareness Night at Westchester Baptist on April 13. Through this joint effort, plans were made for a work team to go to Caswell to help in the renovation there.

On June 1-2, women from CBA attended a Prayer Retreat at Caraway. Faye Fincannon and Bernice Cross led an inspirational time in both prayer emphasis and Bible study.

WMU of CBA were united in their efforts to minister to others. Church support of the Emergency Care Home was readily given. Through this support, a freezer was purchased for the ECH. Two hundred pairs of dress socks were purchased and donated to the NC Women's Correctional Center for Christmas gifts. A mimeograph machine was also bought for Bob Polk to use in his missionary work in Bogota, Colombia.

The CBA WMU Council would like to take this opportunity to thank each person and each church who has supported the WMU activities this year. The WMU Council realizes that without this support, missions work in our association could not be fulfilled. As we strive this year to meet Christ's call to missions, let us continue to do so as "Partners in Prayer and Ministry."

CHURCH TRAINING REPORT

1983-84 has been an exciting year for me as your Church training Director. I must admit, however, that taking the position late in the year kept me from establishing some of the priorities and goals that should have been accomplished. We had an exceptional M-Night program at the First Baptist Church of Jamestown, and our CBA Youth Night at Green Street Baptist Church was well attended and much enjoyed.

My hope in this 1984-85 year is that every church will recognize the importance of training leaders through the Church Training program. Many of the people possessing the biblical skills necessary for leadership today were taught these through Church Training opportunities. They were strengthened and had needs met so that we, under their leadership, might be strengthened and have need met. I hope that this year every church will include in its budget funds to send Church Training Directors and teachers to our seminars, not only to strengthen themselves but that they can return to lead us.

I look forward to this year of working with you.

EVANGELISM COMMITTEE REPORT

Preparations have been made for a citywide Lay revival to be held November 2-4, 1984. Fifteen churches in the Central Association are participating in this Greater High Point Lay Revival Crusade.

Extensive prayer preparations will be made for the Crusade with a pre-meeting banquet with the pastor and a lay person from the fifteen churches. The closing meeting on Sunday, November 4 will be in the form of a rally of all the churches of Central Baptist Association. This rally will be held in the Gym of Central High School with Dr. Delos Miles as the guest evangelistic speaker.

The Associational Executive Committee voted for our associational churches to participate in the nation-wide Southern Baptist Revival called "Good News America." The Piedmont area (which includes our association) will have this revival on March 23-30, 1986. There will be intensive campaign efforts that will require detailed planning from 1984-1986. The State Evangelism Director, J.W. Hutchens, has outlined this in detail regarding the preparations.

LITERACY REPORT

The need for literacy work in the U.S. is ever present. The 24.4 million Americans seriously lacking in literacy skills is a statistic which does not speak well for our nation. Various literacy groups are striving through Contact Literacy to cooperate in overcoming this degrading situation. Laubach Literacy Action is one such group and our High Point Literacy Council is affiliated with this national organization.

Our Literacy Council has been active in three areas: awareness, training, and tutoring. First, through the efforts of Ronda Odenwelder, we're getting the news out that we exist. Through a brief radio announcement, we hope non-readers learned that help is available and that they can learn to read. Also, others became aware of the critical need for this program. Hopefully, they will know that they can participate. "Each one teach one," the Laubach motto, indicates that being able to read qualifies one to teach someone else to read. Some publicity for our work was made through presentation of it at a Jaycees meeting, at an Altrusa Club meeting, at the Medical Outpatient Clinic, at Baptist Women's Groups and other church meetings. This has brought an awareness and some response to the needs. The Social Services Department, the driver's licensing department, the Outpatient Clinic, and others have referred non-readers to us. Several people have taken advantage of the tutor training course.

This is our second area of endeavor. In May, Mrs. Mary Talbert conducted an ESOL course for a class of ten people. Teaching Internationals the English language is a fascinating and challenging task. There are many different nationalities in our midst.

Our third and major emphasis, of course, is the actual tutoring of both non-readers (adults and school age students who need help) and Internationals who want to learn English. Lessons are given in locations suitable to the tutor and the student (homes, public library, churches, CBA office, etc.). A class may be held during morning, afternoon or evening hours usually for an hour twice a week. Love and commitment are imperative. This year 15 tutors taught 27 students a total of 661 hours. I express sincere appreciation to each one for their faithful dedication to this exciting task. We continue to have requests. Pray with us for our continued ministry in meeting these needs.

-Thelma Bollinger

PRAYER REPORT

We believe the greatest task we will ever undertake and the noblest work is to be an outlet of God's will through prayer. We believe the prayer ministry of the body of believers is praying together on earth so as to cause action in Heaven.

Our priority this year in our Intercessory Prayer Ministry has been: Oneness in prayer or harmonious prayer.

Several prayer leaders have become prayer partners, and we have been praying specifically that God will give all our churches a sense of awful responsibility to pray in unity that God will use us as an open channel for an outpouring of the Holy Spirit upon mankind.

How wide the range of prayer is! We have tried to enlarge our prayer ministry to include not only the sick - but to reach out to the unsaved, the oppressed, the poor, the burdened, the alcoholics, national leaders, troubled youth, dope addicts, and other needs in our community.

If we care enough, God will use us through mass intercessory prayer to minister to them with the Good News.

The prayer chairman met the prayer leaders at the First Baptist Church of High Point for a planning and sharing session in February. Tom Allen met with us asking our cooperation in the Evangelistic Crusade being planned for the Fall. We are excited and eager to help in this ministry.

We want to express our appreciation and thanks to the prayer leaders in our churches; especially the faithful and dedicated volunteers who manned the telephone in this ministry...we could not have operated without them.

Charles Allen gives a very good illustration of Intercessory Prayer: "It may be that we have contact with some person who needs God's help. Between that person and God there may be a wall. It may be a wall of unbelief, unconcern, wrong living, or illness. But because we have contact both with that person and with God, we become the contact between the two, and our prayers connect that person's need with God's power. That is Intercessory Prayer."

We pray that the Holy Spirit will lead us into deeper levels of obedience and the Lord's plan for this ministry.

MISSIONS COMMITTEE REPORT

Your Missions Committee has continued to consider "New Work" of new mission points in our association. We have continued to encourage Jamestown First Church to establish a Sunday School in the Colony Park area; and the Trinity Church to get a Sunday School in the Wildwood area. We have sought a church that will start a Sunday School in the associational building. We also requested of the Baptist State Convention a summer worker to organize and direct a census in the area around the associational building, but got no response.

We have raised the question: "What should our association do about reaching people in multi-housing in High Point?" We point out that there are many condominiums and large apartments that have been built and others now being built in High Point. We feel that response to this need must come from the churches having such multi-family living quarters in their area; should they band together through the association in working out the very best plan of reaching these people? Your committee welcomes suggestions and response from the churches.

-Walter E. Crissman

MINISTERS' WIVES REPORT

The Ministers' Wives Organization met four times during the past year for fellowship and sharing. All ministers' wives, of pastor and staff, are invited to join in and help promote better relations between the leaders of our churches.

1983-84 Officers:

President	Vena Medlin
Vice President	Martha Senter
Secretary/Treasurer	Pat Pegram

We averaged ten ladies present at each meeting. As usual, the highlight of the year was our annual picnic held in June with Oak View Baptist Church as host. We had approximately fifty people present. Everyone has a good time at the annual picnics and we are able to welcome and get to know new ministers and their wives and/or husbands.

-Vena Medlin

SEMINARY EXTENSION REPORT

Our Seminary Extension Center now goes under the new name: Adult Christian Education Center. By giving the new title, we hope that more of the members of our churches will be encouraged to participate. Seminary credit is still given for those desiring it. Two of our students are more than half-way toward receiving a diploma.

During the past year, 1983-84, the following courses were offering during the three quarter of study (Fall, Winter and Spring):

SUNDAY SCHOOL REPORT

Sunday School is alive and well. We are continuing to increase in enrollment and attendance throughout the association. Sunday School growth comes through good training of teachers, well organized outreach and genuine concern for others. We have done well as an association but we can do better. Let's pitch in to make the goal of 8.5 by '85 a reality. Each Sunday School must set goals and strive to reach them.

Our Associational Sunday School Improvement Support Team (A.S.S.I.S.T.) is ready and willing to meet your training needs. Our team is staffed by the following training leaders:

Rev. Dan Abernathy - Adults
Danny James - Youth
Sandra Brockway - Children
Patsy Pegram - Preschool
Rev. Andy Anderson - General Officers

Our annual Sunday School Leadership Training Clinic is scheduled for Saturday, September 22 at 8:30 A.M. at Oak View Baptist Church. We will study the five following books:

How to Guide Adults
How to Guide Youth
How to Guide Children
How to Guide Preschoolers
How to Improve Bible Teaching and Learning in Sunday School (for General Officers)

The Vacation Bible School efforts were encouraging as many of our churches reported successful schools. A special thanks to Bob James who conducted the 1984 VBS clinic. Forty-four people attended the clinic which was held at Green Street.

-Andy Anderson

STEWARDSHIP REPORT

The most exciting new idea during this past year has been the creation of the Endowment Trust - Everybody's Trust - set up by the N.C. Baptist Foundation. With this type of trust, it is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000.), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

If I can assist in helping you or your church to understand better the work of the Baptist Foundation or any area of stewardship, please contact the associational office and they will work with me in setting up an avenue of assistance to meet your particular needs.

3. Following the singing of the hymn, "To God Be the Glory," Dr. Fred Senter presented a meditation based on Matthew 9: 35ff. He challenged us to see the multitudes and be moved with compassion for them, even as Jesus did while here on earth.

4. Reports were approved as presented in printed program as follows: Program Committee, chairman: Bob Williams; Treasurer's Report: Wilfred Eddinger; Finance Committee, chairman: Elizabeth Shufelt.

5. Rev. Bynum Orr brought a motion from the Credentials Committee that Cornerstone Baptist Church be received under watchcare of the Association for one full year, according to Article IV, Section 2 of the Constitution of Central Baptist Association.

This motion was seconded by Rev. Robert Mott. The moderator called for discussion. There was no discussion and Dr. Bob Williams called for the question. The motion passed without opposition.

6. Denominational Representatives were recognized and welcomed by the moderator on behalf of the association. New pastors and staff persons were welcomed. These included: Rev. Robert Mott (pastor), Friendly, Rev. Bill Collins (Minister of Education and Youth), Jamestown First; Paul McManus (Minister of Music), Green Street; Dr. J. Gary Marsh (pastor), Green Street; and, Rev. George Brice (pastor), Conrad Memorial.

7. The moderator presented a verbal report on behalf of the chairman of the Missions Committee, Walter E. Crissman. This committee has been very active during the past year, but a written report failed to be included in the Book of Reports.

8. Paul McManus sang a solo which meaningfully prepared the way for the annual sermon, delivered by Rev. J. Charlie Monk. Rev. Monk, pastor of Brentwood Baptist Church for 36 years, preached from I Corinthians 2:1-9, using the word "Determination" as the title of his message. He encouraged us to realize that reaching people will require determination, firmness of purpose, great effort - without which we can do nothing for Christ in our world today.

9. This segment of the program closed with a prayer of benediction and blessing for the evening meal. This prayer was led by Andy Anderson.

EVENING SESSION (September 16 - Green Street Baptist Church)

10. This session began with the singing of several hymns led by Gene Boatwright. These included: "I Am Resolved," "Amazing Grace," "He Lives," and "When We All Get to Heaven."

11. The moderator introduced Frank Smith who presented a meditation on following Jesus throughout one's entire life. He asked those present to consider what they would want written as their epitaph. He suggested that, as an association, we strive to followed Jesus in everyway.

12. Music was enjoyed as the Adult Choir of Green Street Baptist Church sang three anthems and two congregational hymns were sung.

13. Dr. Bob Williams introduced the speaker for the evening, Dr. Thomas A. Bland, a professor at Southeastern Baptist Theological Seminary. Dr. Bland entitled his message, "Our Partnership in the Gospel" using Philippians 1 as his text. Stating that Philippians is a personal "Thank You" from Paul to the church of that day, which can be applied to our situation of this day. Paul says, "Be of a same mind" (verse 5) in those things that really matter. As he traced SBC history, Dr. Bland said that we must celebrate our unity and deal harmoniously - or die! Our challenge is to set right the "wrong" without destroying that which is good. He closed by quoting: "When the Son of Man shall come... will he find faith in the earth?" Dr. Bland then asked, "Will we be Christ's faithful partners?"

14. Gene Boatwright led the closing hymn, "Crown Him With Many Crowns" and this session was dismissed with a prayer led by Rev. Woodrow Hill.

AFTERNOON SESSION (FIRST BAPTIST CHURCH, HIGH POINT)

15. The second day of annual meeting was begun with a prelude of organ music presented by Rev. Tony Martin, Minister of Music at Lexington Avenue Baptist Church.

16. Rev. Bynum Orr, CBA Vice-Moderator, called the meeting to order by presenting Dr. Lamar King, host church pastor. Following Dr. King's words of welcome, Bruce Hartgrove led the congregation in singing "Revive Us Again."

17. Dr. Lamar King presented a meditation on the faltering efforts toward Bold Mission Thrust. Basing his thoughts on Philippians 2:5ff, he reminded us that we, the church, will only receive God's power for Bold Missions as we are faithful to His Word and recognize Him as our sole authority.

18. Reports were heard from the following:

Baptist Children's Homes of N.C. - Rev. Larry Sawyer spoke of the observance of 100 years of work by this agency in N.C. He presented a book of the history of the BCH to our association.

Committee on Committees: Rev. Jerry Benfield, chairman, presented the slate of those who have agreed to serve and expressed his appreciation for their willingness to be a part of CBA work. The motion was made, seconded, and carried that these committees be elected.

Nominating Committee: Rev. Bob James, chairman, made a motion that the officers listed in the Book of Reports be elected. This motion was seconded and carried.

Resolutions Committee: Rev. J.D. Allgood, chairman, presented a resolution expressing appreciation to all who have made this annual meeting possible. Approved as presented.

19. Other items of business and reports included:

Sunday School emphasis - Rev. Dan Abernathy explained the plans for an associational S.S. Revival during October 5-13.

Assist team certificates were presented by the DOM.

Church Training emphasis - Mrs. Vena Medlin announced plans for "M" Night on November 18 and explained the new system of high attendance by showing the new plaque which will be presented.

Time, Place, Preacher Committee - chairman, Rev. Max Reece reported that the 1986 sessions will be held on September 15 at Brentwood Baptist Church and on September 16 at Lexington Avenue Baptist Church. The annual sermon will be delivered by Rev. Jerry Benfield, with Rev. Elwood Faircloth as alternate.

The attendance for the first day session was announced as being 226 who attended the sessions at Green Street Baptist.

20. Rev. Orr introduced the speaker for the afternoon session, Dr. Alex Booth, director of Fruitland Bible Institute. Bruce Hartgrove, Minister of Music at High Point First, led the congregation in reading responsively Psalm 96:1-10. Bruce sang a solo entitled, "How Majestic is Thy Name."

21. Dr. Booth spoke concerning the Bold Mission Thrust. He stated that Baptists have a message and a mission but have too long had a "come and get it" attitude. Our challenge is to take the message of salvation to everyone - including the people of N.C. where less than one-half are Christian.

22. Rev. Orr led in a prayer of benediction and blessing for the evening meal.

EVENING SESSION (HIGH POINT FIRST BAPTIST)

23. A prelude of organ music was presented by Mike Hill, organist of High Point First Baptist. Bruce Hartgrove led in congregational singing.

24. Marjorie Hill presented a meditation on Bold Mission Thrust, concentrating on the word "thrust" in the art of fencing. The thrust was the aim and therefore was the key to success. She encouraged us to make our "Thrust" in His Name.

25. Special music was presented by the Brotherhood Chorus under the direction of John Gwaltney.

26. Congregational singing was led by Bruce Hartgrove.

27. Moderator, Herb Edwards, presented the Adult Choir of the First Baptist Church who sang various selections.

28. Dr. Max Sink, a member of Emerywood Baptist, introduced the speaker for the evening, Dr. John W. Eddins, Jr.

29. The title of Dr. Eddins' message was "Responsible Freedom Under God," based on John 8: 31-38. He stated that religious freedom is not yet an actuality. Baptists have an opportunity to lead out in bringing religious freedom to all. He traced our historical stance as always being champions of religious freedom. However, our convention has begun to move away from this heritage. Pointing to the convention as it met in New Orleans, Dr. Eddins stated that this was the time that we moved away from religious freedom. As seminary professors are being required to sign statements of faith, Dr. Eddins asks how many pastors and SBC leaders are asked to do likewise. He stated that the Bible is not the issue but rather, conformity is the issue. Baptists have long held to diversity in the midst of unity. Dr. Eddins stated that we are succumbing to conformity. With tears, he closed his message as he led in prayer.

30. The closing hymn was "Come All Christians, Be Committed."

31. Rev. Charlie Monk made a motion from the floor that special greetings from our association be sent to Rev. Floyd Rhyne, the first Director of Missions, who is presently in a nursing facility in Asheboro. This motion passed without objections.

32. The new officers for 1985-86 were duly installed and the benediction was the singing of "Blest Be the Tie".

33. The 1985 session of Central Baptist Association was officially adjourned.

Respectfully submitted by Donice Harrod, clerk.

SUNDAY SCHOOL REPORT

A strong Sunday School makes for a strong church. Jesus Christ who established the church emphasized the need of teaching all His commands. This will lead the church toward growth and maturity. I encourage every church to plan for a stronger Sunday School.

There are several avenues of training available to the local church, such as:

I. Ridgecrest and Caraway Conference Centers
  1. Sunday School Weeks - For Everyone
  2. Mini Conferences - Leadership Training
  3. Special Age Group Conferences - Leadership Training

II. Associational
  1. Yearly Age Group Leadership Training
  2. VBS Clinic
  3. Special Emphasis such as Sunday School Enlargement and Improvement Campaign
  4. Special Request from Churches
  5. Video Taped Training Material
  6. Seminary Extension Studies

III. Printed Material
  1. Age group monthly meetings
  2. Sunday School Leadership
  3. Equipping Center Modules
  4. Study Courses

This has been a very busy year with the last half given primarily to preparation for the Sunday School Enlargement and Improvement Campaign, which is set for October 5-9. We have had three preparation meetings and another is planned for September 26. Rev. Marvin Chapman is the State Co-ordinator for Central Association. Each participating church will have its own Director who is provided by the State S.S. Department. I believe this will be the greatest single event that has come to the life of our churches and S.S. in this decade.

As we complete the emphasis - 8.5 by '85 - every church is urged to set goals and observe S.S. High Attendance Day on September 29. Every S.S. Director is to call our DOM by 2:00 and report your church's attendance.

The Associational Assist Team stands ready to help you in any way possible.

-Dan W. Abernathy

EXECUTIVE COMMITTEE REPORT

The Executive Committee met four times during this past year. Complete minutes from each meeting are on file at the associational office. A digest of these meetings follows:

November 20, 1984

The Evangelism Director, Tom Allen, reported that 14 CBA churches participated in the Lay-led Revival Crusade during October 31-November 4. Fifty-five professions of faith were recorded and over one thousand homes were visited.

A motion was passed concerning those matters pertaining to the American Christian Television System (ACTS): that complete authority to transact all matters concerning the legalities of ACTS be entrusted to the ACTS Board of Central Baptist Association.

The Missions Committee chairman, Walter Crissman, brought a motion from his committee that CBA authorize our DOM to request funds from the BSC to assits CBA with a project to begin a new work in our association. Motion carried.

A motion passed that major repairs be made at our Emergency Care Home facility as needed.

Brotherhood Director, Ernest Shuskey, presented the CBA sports director for 1984-85. He is Rick Hutchins and will be assisted in this endeavor by Chris Smith.

Church Training reported an attendance of 151 for "M" Night with the high attendance and high percentage awards going to Lexington Avenue Baptist Church.

Elliot Stewart reported that 20 people had enrolled in the Winter Quarter of the Adult Christian Education Center.

John Kenney reported on the Planned Growth in Giving emphasis from the Stewardship Department and Dan Abernathy presented the Sunday School emphasis for the year - "In Reach."

WMU Director, Cathy Brooks, proposed the following challenge: that CBA set a goal of $2,000 to dig a well in Togo this year.

March 19, 1985

Thelma Bollinger announced that 16 people were trained at the CBA Literacy Clinic during January. Cathy Brooks reported that $2,173 has been given, surpassing the goal of $2,000 to dig a well in Togo. She made a motion that CBA send $25 per month to the HMB toward the support of Mrs. Nell Bruce. This was referred to the Finance Committee for study.

The Brotherhood Chorus is singing for various church and associational events, reported Ernest Shuskey. Elliot Stewart announced the courses for the Spring Quarter in the Adult Christian Education Center.

The following recommendations were brought from the Missions Committee. These were voted on and passed.

1. that CBA assist the Korean Church in locating a place in which to meet but that they will furnish their own finances.

2. that a survey in the area of the associational office be made to determine whether or not a new work may be initiated; and that Dr. Elliot Stewart be employed to conduct said survey.

3. that CBA make the office facilities available to the group for the Allen Jay Baptist Church who have left that church and that the length of stay be as long as 60 days and that they pay 50% of the utility bill each month should they decide to avail themselves of this offer of the facilities.

May 21, 1985

A motion was passed as presented by the Missions Committee: that the association not make available to the singles group (S.A.F.E.) the facilities of the associational office and urge that the group work in the singles' group in their own churches.

Officers for the 1985-86 year were presented by the Nominating Committee. A proposal was presented by the Brotherhood Director, Ernest Shuskey, that CBA men support 2 volunteers per year to work in Togo by establishing a means of each man giving $25 per year toward this end.

Sunday School Director, Dan Abernathy, made a motion that CBA sponsor an Enlargement/Improvement Campaign during October 5-13, 1985. This motion carried.

By common consensus, the committee extended the use of the CBA building to the Church Group for an additional 30 days.

August 20, 1985

The Finance Committee presented the proposed budget for 1985-86 for discussion to be voted on at the annual meeting. Various committees and organizational directors presented their annual reports since these will not be presented verbally at the annual meeting (these reports will appear in the Book of Reports). Nine CBA churches will participate in the S.S. Enlargement/Improvement Campaign during October 5-9, 1985. The Church Group meeting at the CBA office invited associational representatives to attend a worship service on September 8 at 2 o'clock when they will constitute into the Cornerstone Baptist Church. A motion was passed that the Moderator appoint a 3-member committee to study the CBA constitution for any revisions as deemed necessary by said committee. This committee will be named at the annual meeting of the association, September 16-17, 1985.

WOMAN'S MISSIONARY UNION REPORT

"My children, our love should not be just words and talk; it must be true love, which shows itself in action." (I John 3:18 TEV)

The 1984-85 WMU Watchword was a constant reminder to members of WMU of our theme for the year: "By Love Compelled." The associatonal WMU Council also kept this theme in mind as the activities for the year were planned.

Because WMU realizes that having well-trained leaders is important to the strength of its organizations, the 1984-85 year began with the WMU Leadership Conference. This was held at Fairmont Park Baptist Church on August 27 with 83 women attending.

In cooperation with the Brotherhood, WMU co-sponsored a Prayer Breakfast on October 27. This meeting gave an opportunity for men and women of the association to come together for a time of special prayer for the Lay Witness Revival effort.

The Baptist Women's World Day of Prayer was held November 5 at Hillcrest Baptist Church. Eighty people enjoyed the program with the theme: "Called to be One for God's Mission." An offering of $95.00 was received for this world-wide effort sponsored by the Baptist World Alliance.

To emphasize the Week of Prayer for Foreign Missions, WMU held a missions get-together for all age-levels at Conrad Memorial Baptist Church on December 8. North Carolina's partnership with Togo was highlighted and speakers included volunteers who had served in Togo.

On February 10, Maxie Kirk spoke at the Winter Missions Rally at Trinity Baptist Church. Mrs. Kirk, a retired missionary to Brazil, gave an inspirational message to those attending.

Always a highlight of the year, the Pastor/Staff Appreciation Dinner was held at Green Street Baptist Church on February 21. Those attending enjoyed a delicious meal, special music by the "Living Faith", and an emphasis on WMU by Lib Shufelt and Louise Jenkins.

Forty-three Acteens and their leaders enjoyed a sleep-over at Southside Baptist Church on March 22. This activity gave the Acteens of our association a chance to meet for a time of fun, fellowship, and training.

The 1985 Week of Prayer for Home Missions focused on the theme: "Who Cares?" During the week (March 3-10), CBA's WMU sponsored a special speaker, Mrs. Nell Bruce. A Mission Service Corps volunteer in the Home Mission Board's Department of Prayer for Spiritual Awakening, Mrs. Bruce spoke in nine CBA churches.

Although varying her message each time she spoke, Mrs. Bruce included the common theme of the priority of prayer in the life of each Christian in each message she presented.

The 26th Annual Meeting of CBA WMU was held at Oak View Baptist Church on April 2. The main event of the evening was the presentation of the history of WMU in NC portrayed through fashions of each era. Entitled "Forward Through the Ages" it marked our kickoff event of the celebration of the centennial year for NC WMU.

GAs, their mothers, and their leaders enjoyed a banquet at Allen Jay Baptist Church on April 26. Entertainment was provided by Jim and Loretta Martin of the Baptist Children's Home through their puppet ministry.

On May 3-4, forty-five women from CBA attended a Prayer Retreat at Caraway. Using the theme "The Woman I Am," sessions focused on ministering, coping, and committed women.

Woman's Missionary Unions of CBA were united in their efforts to minister to others. Church support of the Emergency Care Home was readily given. Also, two hundred toothbrushes were purchased and donated to the NC Women's Correctional Center for Christmas gifts.

At the beginning of the 1984-85 year, WMU challenged members of CBA to raise $2,000.00 to dig a well in Togo. "By Love Compelled," we not only met this challenge, but surpassed it! This fund continues to remain open for further donations for work in Togo.

The CBA WMU Council would like to take this opportunity to thank each person and each church who has supported the WMU activities this year. The WMU Council realizes that without this support, missions work in our association could not be fulfilled.

-Cathy Brooks

BROTHERHOOD

The Baptist Men and RA boys and their leaders in CBA have been busy in various activities during the past year. Some of our plans have been quite successful, others have failed to take shape, and other plans are still in the process of materializing.

We are proud, and justly so, of the CBA Brotherhood Chorus. Under the direction of John Gwaltney, this group sang for both sessions of the CBA annual meeting last year. They have sung at revivals and other events which could be scheduled without conflict with regular church attendance.

Rick Hutchins is serving as CBA RA Director and sports director. He has attended state events for training and information. He had a meeting on December 17 with RA leaders concerning the rules which must be followed for participation in state RA events. I appreciate Rick's fine work and look forward to his serving again this year.

A course in evangelism was offered in January, but, we did not have enough response to have this training. Hopefully, we can have better response at another date. A second course was offered to train church ushers and was very successful. This was held at Fairmont Park.

A highlight for the year was having the NC Baptist Men's Disaster Relief Van in our association. Mr. Shirlowe Powell came to English Road for the morning worship service as he spoke to that church about the ministry of the Disaster Relief Van. Later he drove it to Westchester Mall where it was on exhibition during the afternoon. The turnout was excellent and the media coverage was great. All NC Baptist Men rejoice over the tremendous service provided by this van which can feed 3,000 per meal! Last year, when tornadoes hit NC, this van feed 12,500 people per day at a cost of some $460 Thousand Dollars (paid by private donations). We were so happy to give CBA people a chance to see this van so that we can better understand its work as we pray and give so that it can continue as it is needed.

CBA Baptist Men rolled up their sleeves and went to work at restoring and renovating our NC Assembly at Fort Caswell. 180 man hours were logged by those who gave themselves to this task. Thank you, men!

As Baptist Men, we seek to be involved in various levels of Christian Life. W.W. Robbins agreed to lead our churches in the area of combatting moral problems. He will help as requested by each church. Leadership training will again be offered for Baptist Men and RA Leaders. The date is October 21 at Hilliard.

-Ernest Shuskey

LITERACY REPORT

I look forward to making an annual report about as much as I look forward to a toothache! I always feel that we have done so little considering the magnitude of the task before us. It seems that an annual report is a time of accounting, a time of admitting that we fell short of our expectations. It's a good thing though, because it brings to light just exactly what has been done and the record is slightly encouraging. Each year we make a little gain.

In January 1985, a basic Laubach workshop was held at CBA. Mrs. Velma McGee, a certified tutor trainer, taught a 12 hour course to those registered with 11 completing the course. One prospective tutor took the course in Winston-Salem,so, with 12 new tutors, our total number rose to 30. Of these, 5 are qualified in both Basic Literacy and E.S.O.L. and 6 are qualified in E.S.O.L. only. Basic instruction was given to 21 adults and 2 children. English was taught to 11 internationals (1 French, 1 Taiwanese, 2 Vietnamese, 2 Chinese, 2 Korean, 2 Romanian, 1 Portuguese.)

Some students are short term - several months. They move away or discontinue for other reasons. Most students are very enthusiastic and motivated. They seek to finish all four basic books.

This represents hundreds of hours of volunteer instruction. My praise for our volunteers cannot begin to give them the acclaim they deserve.

Our most urgent need and main goal for 1986 is to strengthen the organizational structure of our High Point Literacy Council in order to expand our ministry. Publicity through the media, the schools, clubs, agencies, and employers would encourage the functional illerate to seek help. He would benefit tremendously as an individual but society as a whole would also be affected.

Illiteracy means unemployment, welfare, crime, prison terms!! All of these are burdens on the economy of our country. We are paying dearly through our tax dollars for this lack of education. Our volunteer program can greatly allieviate these problems but we must attack illiteracy with more force. That is our aim: MORE FORCE! Impossible? "With God, nothing is ever impossible."
Luke 1:37

-Thelma Bollinger

PRAYER REPORT

Continuing to believe that PRAYER must undergird every aspect of the work of God's people, I have sought to bring prayer before the people of our association in every way possible. Knowing that prayer should be done and actually praying are two different matters. Therefore, I have tried to encourage the Prayer Leaders of our churches to be mindful that prayer is not just something we should talk about, but that prayer is something we should actively engage in on a daily basis.

On March 31, a meeting of Prayer Leaders and Pastors was held at the associational office. Mr. Tom Allen, evangelism director, spoke to us about the importance of prayer in the "Good News, America" campaign planned for the Spring, 1986.

I have tried to secure Prayer Leaders in all of our church and missions. The response has been good and I am grateful for the willingness of these folk to serve. Prayer requests are called in by these leaders to the Baptist Assist phone each week. These requests are taken to our churches for intecessory prayer each Wednesday night. This continues to be a strong "tie that binds" us together in Central Baptist Association.

At the suggestion of Rev. W.W. Robbins, I had a booklet printed which lists all CBA pastors and church staff workers. The list is divided so that each day, specific workers are to be prayed for by name. The pastors were given these booklets and are asked to pray daily for one another. Another prayer effort by the pastors is in the form of a "prayer meeting" of pastors each Wednesday morning at 11:00 A.M. Any pastor may invite the group to come to their church at this time each week as we pray for church concerns, pastors and their burdens, revival among the churches, and the associational work. This year we have been invited to these churches: Hilliard Memorial (8 weeks), Pilot View (4 weeks), Garrell Street (4 weeks), Westchester (4 weeks), Hillsville (4 weeks), Allen Jay (4 weeks), Friendly (4 weeks), and we will soon meet at Brentwood (4 weeks). This is open for invitation to any pastor.

As I come to the completion of serving as Association Prayer Leader, I wish to remain strong in encouraging all members of our churches to continue daily in prayer. Without this communion with our Heavenly Father, our work will be in vain. Only as we pray and seek God's will in our individual lives, will we accomplish all that God desires among his people of Central Baptist Association. "To God be the Glory!"

-George Jeffreys

EMERGENCY CARE HOME REPORT

This year at the High Point Emergency Care Home has been filled with many, many changes. Most of the changes have been good and positive.

We have tried throughout the year to make the house more of a "home" so that it would look warm, cozy, and bright. Painting the bedrooms and other rooms in the house has drastically changed its appearance. The boys enjoy the T.V. room much better because of its neat attractiveness. The boys along with ourselves painted the rooms which gave us all a sense of pride when completed.

The outside of the house has been decorated with new shrubs and borders. We are still in the process of making the outside look more attractive. With the support from the churches in the association, we were able to purchase the shrubs and other planting needs.

Many churches have been so wonderful in supporting us with all types of supplies, food, toiletries, money and most of all - love and care. If it were not for the churches and their concern for us, the home would not exist. We are very proud of the home.

We have admitted in the home, approximately 40 boys with all types of problems. After their 90 days are over, many of them are able to return to their own homes or go to a group care home associated with the N.C. Baptist Children's Homes. When these boys go to a better place or back to their families, it makes our ministry more rewarding and fulfilling.

Our ministry at the HPEC Home this past year has been an eye-opening experience. We had no idea of the number of children and families who have so many difficult problems. We thank God there is a place like the HPEC for families and social workers to turn to for help. Our ministry has also been difficult, tiring, and stressful. But, because of those hard times, we have learned to enjoy our good times even more. We have learned what it really means to rely on God's strength and guidance and not our own. We hope the churches in the association will continue to commit themselves to the task that lies before them. This ministry should not die but continue to grow and flourish touching the lives of many, many hurting children and families.

-Ernie and Mildred Tatum, Child Care Workers

MUSIC REPORT

The church year of 1984-85 has been a year of Emphasis on Congregational Music in the Music Ministries of churches throughout the Southern Baptist Convention. We have emphasized the work of all age groups over the past few years in church music. This year, we have sought to call attention to the work of the largest "choir" in the church - the congregation! The Psalmist proclaimed that we are to "make a joyful noise unto the Lord." We have sought to do just that!

Music enrollment continues to increase throughout the SBC. Music is strong in our churches here in the Central Baptist Association. However, there are many areas of work that need to be done. The Brotherhood Chorus will continue to function during the coming year under the direction of Mr. Lee Willard. We encourage all men of CBA to become involved in this chorus. There will be opportunities for training and learning throughout the year. I will be teaching a course on "Christian Hymnody" beginning on Thursday, September 12, and then 9 weeks thereafter from 7:00 until 9:00 P.M. each week at the CBA office building. Let me encourage you to become involved in the Music Ministry of your church.

Oak View Baptist Church hosted the Regional Adult Choir Festival this past year on Tuesday, March 19. Three CBA churches participated: Westchester, Oak View, and the First Baptist of High Point.

Four of our CBA full-time Ministers of Music participated in the Singing Churchmen of North Carolina during the 1984-85 church year. These are: Gene Boatwright (Westchester), Bruce Hartgrove (First Baptist, High Point), Tony Martin (Lexington Avenue), and Paul McManus (Green Street).

"Musicians on Mission - That All May Hear" is our theme for 1985 - 1990. I challenge each church musician to be one who is on "Mission".

-Gene Boatwright

-Elliot B. Stewart

EVANGELISM COMMITTEE REPORT

The main function for the year 1984-85 of the Evangelism Committee was to plan and execute what we called "The Greater High Point Lay Revival Crusade." Preparations were made in 1984 for this campaign which was held on November 2, 3, and 4 with fourteen churches participating and approximately 110 to 130 laymen who also participated in the lay revival among our churches. On the 4th of November in the afternoon, we had a mass rally and all the churches that participated were represented in attendance. This meeting was held at Oak View Baptists Church. The attendance was very good and we had Dr. Delos Miles, Professor of Evangelism at Southeastern Baptist Seminary,as our main speaker and music by the Central Baptist Association choir.

During the revivals in the fourteen churches, visits were made in a little less than one thousand homes. A little over fifty first-time decisions were made and many hours of prayer were held in our churches.

GOOD NEWS AMERICA, GOD LOVES YOU - Most of the preparations have been made for the 1986 campaign which will be held simultaneously in the fifty states for Good News America. This will be an extensive involvement and will involve millions of people. Our association has voted to be a sponsor of this and at the present, we have approximately thirteen churches involved. The time for the Central Baptist Association to participate is March 23-30, 1986.

-Tom Allen

STEWARDSHIP

PLANNED GROWTH IN GIVING is a call to commitment and growth. Growth in the following areas: Christlikeness, Cooperation with fellow believers, Giving through one's church, and Concern for the people of the world.

PLANNED GROWTH IN GIVING is a dream and a challenge. The challenge is to: Individuals - to increase the percentage of their incomes given through their churches; Churches - to conduct the Planned Growth in Giving Event; Associations - to encourage churches to participate and present ministries worthy of increased financial support from the churches; State Conventions - to promote Planned Growth in Giving, provide training, and grow in giving to convention causes through the Cooperative Program; and SBC Agencies - to be good stewards by providing inspiration and leadership in fulfilling the ministries assigned to them by the Convention.

PLANNED GROWTH IN GIVING is an opportunity for helping churches develop new attitudes toward giving and financial mission support to the association and through the Cooperative Program.

I will be happy to assist your church in any way possible as you participate in PLANNED GROWTH IN GIVING.

"But grow in the grace, and in the knowledge of our Lord and Saviour Jesus Christ." (2 Peter 3:18)

NC Baptist Foundation, Inc.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Conventions. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to NC Baptists through their Baptist Foundation.

BAPTIST CHILDREN"S HOMES' REPORT

The mission of the Baptist Children's Homes of NC, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Instituion embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year, we served 1,517 children and 1,167 families.

A.C.T.S. COMMITTEE REPORT

The Executive Committee of the Central Baptist Association voted to be a part of bringing the Radio and Television Commission programming called A.C.T.S. to the Central Baptist Association. There are eleven churches involved who are sponsoring the A.C.T.S. network in our area. We are on Channel 25 and have been on the air since January 1, 1985.

It has been a "rocky" start due to finding a location for the equipment to broadcast and finding the proper equipment that will be best suited for the location. In another few months, we will have the total completion with the insertion equipment which will provide the service to the churches to participate by inserting their ads and use these facilities for the promotion of the Gospel in the High Point area.

The feeling of the Association and the Southern Baptist Convention is that this will be an outstanding tool for the proclamation of the Gospel. Many reports have been received in the area churches where the insertion equipment was available that it has increased their attendance. Throughout the Southern Baptist Convention, there are over three million subscribers to the ACTS program. The latest date our insertion equipment should be installed is November, 1985.
